**AGREEMENT**

**City Hall Stairs Repair Project**

THIS AGREEMENT is made on this \_\_\_\_\_, 2023 between the City of Snoqualmie ("City"), a municipal corporation located in the State of Washington and Purcell Paintings & Coatings Southwest, Inc. ("Contractor").

In consideration of the terms and conditions contained in this Contract and the requirements attached to it, the parties agree as follows:

1. Project. Contractor shall do all work and furnish all tools, materials, and equipment for the City's public works project known as the **City Hall Stairs Repair Project** at 38624 SE River St., Snoqualmie, WA 98065 ("Project") in accordance with the Contract Documents, which include this Agreement; Contractor's proposal, dated January 23, 2023, executed Performance and Payment Bond, executed Retainage Forms; the Washington State Department of Transportation (WSDOT) Standard Specifications for Road, Bridge and Municipal Construction, 2020 edition and such other manuals, standards, plans and guidelines referenced in said Standard Specifications, which are incorporated by reference and made a part of the Contract Documents, Technical Provisions, Site Plans Vol. II of II, Appendices \_\_\_\_\_, Addenda \_\_\_\_\_, and any project drawings or plans.
2. Work. The term Work, as used in this Contract, means the construction and services necessary or incidental to fulfill Contractor's obligations in conformance with this Contract.
3. Project Cost. The City shall pay Contractor three hundred sixty seven thousand three hundred dollars (**\$367,300**) plus Washington State sales tax of 8.9 percent for a total of three hundred ninety nine thousand nine hundred ninety dollars (**\$399,990**) ("Project Cost"). The Project Cost includes all costs associated with the Project, including, but not limited to labor, materials, overhead, administrative, and permit and regulatory costs, unless otherwise agreed to by the parties in writing. The Project Cost does not include Maintenance Costs identified separately in Section 16 below.
4. Payment Terms. The Project Cost shall be payable in the following manner: On or before the 26<sup>th</sup> day of each month, Contractor shall submit a detailed monthly pay application for all services provided describing in reasonable and understandable detail the work completed during the previous month, the progress of the work, and the requested payment in an amount proportionate to the work completed. The City shall pay the pay application within thirty (30) days after approval of the pay application, pursuant to the terms below:
  - a. In cases of single payment, the City shall make payment only after all appropriate releases are submitted.
  - b. In cases of multiple payments, the City shall retain monies as required by RCW 60.28 and pay the retainage as provided therein.
5. Equitable Adjustments. Contractor shall file a written notice for any equitable adjustment to the Project Cost within twenty-four (24) hours of the City's written change order or oral change order. No more than five (5) days thereafter, Contractor shall then file a written claim with the City, stating the amount claimed, supported by appropriate documentation. Failure to provide written notice and claim under

the terms of this Contract constitutes waiver of such claim. In no case, shall a claim for equitable adjustment be allowed if submitted after the Project has reached final acceptance by the City.

6. Completion Deadline/Liquidated Damages. Contractor shall commence work under this Contract upon receipt of notice to proceed from the City. The Project must be completed no later than December 31, 2023. If the Project is not completed by such date, then, because of the difficulty in computing the actual damages to the City arising from any delay in completing the Project work, it is agreed by the parties that Contractor shall pay the City \$500.00 for each calendar day that the work remains incomplete after expiration of the specified completion date. The parties agree that such amount represents a reasonable forecast of the actual damages the City will suffer by failure of the Contractor to complete the work within the agreed upon time. The execution of this Contract constitutes acknowledgement by the Contractor that the Contractor has ascertained and agrees that the City will actually suffer damages in the above amount.
7. Warranty. Contractor warrants that all materials and equipment shall be new unless otherwise specified, of good quality, and free from defective workmanship and materials. Contractor further warrants that the Work shall be free from defects in workmanship and material, and shall transfer to the City all written warranties related to the Work performed and equipment installed. Contractor guarantees payment of all obligations incurred in this Work until final acceptance of the Work and consistent with the Contract Documents.
8. Prevailing Wages. The Contractor shall pay prevailing wages as required and shall comply with RCW 39.12 and RCW 49.28. Notice of intent to pay prevailing wages and prevailing wage rates for the Project must be posted for the benefit of workers. At the completion of the Project, the Contractor and its subcontractors shall submit Affidavits of Wages Paid to the Department of Labor and Industries for certification. Final payment on the Contract shall be withheld until the City receives certification from the Department of Labor and Industries that prevailing wage requirements have been satisfied.
9. Bond. Contractor shall provide a performance and payment bond for the faithful performance and payment of all its obligations under this Contract and in accordance with RCW 39.08.010. The performance bond shall remain in effect to guarantee the repair and replacement of defective equipment, materials, and workmanship and payment of damages sustained by the City on account of such defects, discovered within one (1) year after final acceptance by the City. If this Contract is for less than \$150,000, Contractor authorizes the City, in lieu of a bond, to retain 10% of the Contract amount for a period of thirty days after the date of final acceptance as provided for under RCW 39.08.010.
10. Indemnification. Contractor shall defend, indemnify, and hold harmless the City, its commissioners, officers, managers, employees, engineers, agents, and volunteers from and against all demands, claims, losses, injuries, damages, liabilities, suits, judgment, attorneys' fees and costs, and other expenses of any kind on account of, relating to, or arising out of Contractor's work under this Contract, except to the extent such injuries or damages are caused by the negligence of the City. For the purposes of this indemnification, Contractor specifically and expressly waives any immunity granted under the Washington Industrial Insurance Act, Title 51 RCW. This waiver has been mutually negotiated and agreed to by the parties. If a court of competent jurisdiction determines that this contract is subject to RCW 4.24.115, Contractor's obligation to defend, indemnify, and hold harmless the City, its officers, employees, agents and volunteers shall be limited to the extent of the City's negligence.
