**WHEREAS**, the required 60-day notice was sent to the State of Washington Department of Commerce on February 6, 2024; and

**WHEREAS**, a SEPA DNS was issued for this non-project action on April 3, 2024; and

**WHEREAS**, the Planning Commission held a duly noticed public hearing on April 15, 2024, to receive testimony on the proposed code amendments; and

## EXHIBIT A

### SMC 17.10.040 “E” Definition

“Emergency Housing or Shelter” means temporary indoor accommodations for individuals or families who are homeless or at imminent risk of becoming homeless that is intended to address the basic health, food, clothing, and personal hygiene needs of individuals or families. Emergency housing or shelter may or may not require occupants to enter into a lease or an occupancy agreement. These facilities may include day and warming centers that do not provide overnight accommodations.

### SMC 17.10.095 “P” Definitions

“Permanent supportive housing” is subsidized, leased housing with no limit on length of stay that prioritizes people who need comprehensive support services to retain tenancy and utilizes admissions practices designed to use lower barriers to entry than would be typical for other subsidized or unsubsidized rental housing, especially related to rental history, criminal history, and personal behaviors. Permanent supportive housing is paired with on-site or off-site voluntary services designed to support a person living with a complex and disabling behavioral health or physical health condition who was experiencing homelessness or was at imminent risk of homelessness prior to moving into housing to retain their housing and be a successful tenant in a housing arrangement, improve the resident’s health status, and connect the resident of the housing with community-based health care, treatment, or employment services. Permanent supportive housing is subject to all of the rights and responsibilities defined in chapter 59.18 RCW.

### SMC 17.10.110 “S” Definitions

“Special needs housing” means housing that is provided for persons and, where applicable, their dependents who, by virtue of disability or other personal factors, face impediments to independent living and who require special assistance and services in order to sustain appropriate housing on a permanent, long-term or transitional basis. Special needs housing includes shelters for temporary placement ~~and ,transitional housing facilities and~~ group homes, for up to six residents in care, that function as a single housekeeping unit and provide supportive services, including but not limited to counseling, rehabilitation and medical supervision.

### SMC 17.10.115 “T” Definitions

~~“Transitional housing facilities” means a project that provides housing and supportive services to homeless persons or families for up to two years and that has as its purpose facilitating the movement of homeless persons and families into independent living, housing units within the city owned by public housing authorities, nonprofit organizations or other public interest groups that provide housing to persons on a temporary basis for a duration not to exceed 24 months in conjunction with job training, self-sufficiency training, and human services counseling; the purpose of which is to help persons make the transition from homelessness to placement in permanent housing.~~

### SMC 17.55.020 Table of Uses

Table 1 lists uses that are regulated by the zoning code, except unclassified uses in Chapter 17.60 SMC, and uses within the mixed use district, Chapter 17.30 SMC. The uses are listed and a corresponding letter is printed for each zoning district. The letter “X” means the use is prohibited for that particular district. The letter “P” designates uses that are permitted in a particular district. The letter “C” means that a use may be permitted in a particular district, subject to a conditional use permit. The presumption established by this chapter is that all legitimate uses of land are permissible within at least one zoning district. Therefore, because the list of permissible uses set forth cannot be all-inclusive, those uses that are listed shall be interpreted liberally to include other uses that have similar impacts to the listed uses.
