SUMMARY

INTRODUCTION

Annual update to the school impact fees for 2025 on behalf of the Snoqualmie Valley School District No. 410.

LEGISLATIVE HISTORY

The City Council adopted the 2023 school impact fees via AB23-136 and Ordinance 1283, and prior years' school impact fees via other ordinances.

BACKGROUND

The City of Snoqualmie adopted Ordinance 826 in 1998, providing for the assessment and collection of school impact fees for new construction. Section 1 of the ordinance is codified as Chapter 20.10 of the Snoqualmie Municipal Code. Chapter 20.10 SMC establishes school impact fees and requires the district to submit an annual update to its Capital Facilities Plan, an updated fee calculation/ revised fee schedule; and an annual report on the school impact fee account, showing the source and amount of all moneys collected, earned, or received, and the public improvements that were financed in whole or in part by impact fees. The District's Capital Facilities Plan (CFP) is the basis for the school impact fee and contains the details of how the fee is calculated. The City's Comprehensive Plan provides that the update of the District's Capital Facilities Plan be

approved from time to time by the City Council by Resolution and school impact fees themselves are adopted separately by ordinance. This action is to adopt the school impact fees by ordinance.

ANALYSIS

The Snoqualmie Valley School District submitted the required information to the City, including the updated Capital Facilities Plan (CFP), updated fee calculation (in the updated CFP), revised fee schedule (in the updated CFP), and an annual report. The adoption of the Ordinance establishing school impact fees for 2025 in accordance with the Snoqualmie Valley School District No. 410 Capital Facilities Plan 2024-2029 will change the school impact fee for average single-family residences from \$9,230.89 to 10,187.76 (an increase of \$956.87), and for multifamily residences from \$6,391.47 to \$6,170.35 (a decrease of \$221.12). The new school impact fees would be effective on January 1, 2025.
