SUMMARY

INTRODUCTION

The attached ordinance is a repeal and a replacement of Chapter 3.10 SMC, Multi-Family Housing Property Tax Exemption (MFTE) and accompanying draft amendments. The program began in 1995 and was codified as RCW Chapter 84.14, to incentivize residential development in urban centers by providing property tax exemptions for 8-year, 12-year, and potentially 20-year exemptions if certain criteria are met on new, expanded, or updated multifamily housing. The exemption applies only to the residential portions of newly constructed improvements, not the value of the land, retail space, or existing improvements.

Both 8-year and 12-year exemptions are recommended in the draft amendments. No 20-year exemption is provided as the City does not qualify for this exemption. A 20-year exemption is available when, 1) the targeted residential area is within one mile of high-capacity transit, and 2) mandatory inclusionary zoning has been implemented that ensures that at least 2 percent of the MFTE housing units are affordable for low-income households for a period of at least 99 years. An

alternative type of 20-year exemption is available for multi-family housing developments where at least 25 percent of the units will be built by or sold to a qualified nonprofit or local government agency that will assure permanent affordable home ownership to households earning no more than 80 percent AMI for a period of at least 99 years, with the property subject to a variety of owner resale restrictions and covenants on title.

LEGISLATIVE HISTORY

In 2013, the City Council passed Ordinance 1115 that established a multifamily property tax exemption to encourage multi-family housing development in designated residential targeted areas; Ord. 1115 § 1, 2013.

BACKGROUND

The statewide MFTE legislation was adopted in 1995, codified as RCW Ch. 84.14, to incentivize residential development in urban centers. In 2021, the State Legislature adopted Engrossed Second Substitute Senate Bill (ESSB) 5287, amending chapter 84.14 RCW to, among other things, authorize local jurisdictions to extend multifamily property tax exemptions for an additional 12 years if certain conditions are met, and provide new 20-year exemptions for qualifying housing in certain jurisdictions.

ANALYSIS

The City Council approved a Development Agreement (DA) with Snoqualmie Mill Ventures LLC in October 2022. The DA, Section 7 requires the City to approve a Multifamily Property Tax Exemption (“MFTE”) resolution and/or ordinance prior to January 1, 2024, designating the property as a residential targeted area pursuant to Chapter 84.14 RCW and amending Chapter 3.10 SMC, as necessary to allow the value of new housing construction in mixed-use buildings with the specific affordable units required by the MFTE statutes to qualify for the 12-year property tax exemption under RCW 84.14.020(1)(a)(ii)(B).

The statutes specifically states that a payment is due in the last month of the rent-restricted tenant’s lease. The statute does allow cities to impose additional requirements or greater restrictions on MFTE housing units, such as by lowering the income thresholds even more, or increasing the percentage of units that must be affordable to tenants in the designated income brackets. The timing of the payment is not considered an additional restriction or “more restrictive”.
