DEVELOPMENT AGREEMENT

This Development Agreement (this “Agreement”) is between the City of South Jordan, a Utah municipal corporation (“City”) and Riverpark Residential, LLC, a Utah limited liability company (“Developer”). City and Developer are jointly referred to as the “Parties” and each may be referred to individually as “Party.”

RECITALS

A. Developer owns certain real property identified as Salt Lake County Assessor Parcel Number 27-14-401-023 and located at 10657 South 1055 West, and which is more specifically described in attached Exhibit A (the “Property”).

B. Developer intends to develop the Property consistent with the Concept Plan attached hereto as Exhibit B (the “Concept Plan”). The development of the Property as proposed on the Concept Plan is generally referred to as the “Project.”

C. The City, acting pursuant to its authority under the Land Use Development and Management Act (as codified in Utah Code Ann. § 10-9a-102(2) et seq., hereafter the “Act”) and the South Jordan City Municipal Code (the “City Code”), and in furtherance of its land use policies, goals, objectives, ordinances, resolutions, and regulations, has determined that this Agreement is necessary and appropriate for the use and development of the Property within the City.

D. The Property is currently subject to the Planning and Land Use Ordinance of the City and is within the City’s A-5 Zone.

E. The Developer desires to develop the Property in conformity with this Agreement and desires a zone change on the Property from A-5 to a base zone of R-M (applicable provisions attached hereto as Exhibit C) and further and subsequently rezoned and made subject to a Planned Development Floating Zone (the “PD Zone” with applicable provisions attached hereto as Exhibit D). The PD-Zone for the Property shall be referred to herein as the “Rise-PD Zone.”

F. The Parties acknowledge that the purpose of the PD Zone is “to allow for flexibility in the application of zoning regulations and development provisions of this title to advance a public interest through prescriptive requirements of a development plan and development agreement approved by the City Council.” (See City Code § 17.130.050.010.)

G. The Parties acknowledge that development in the PD Zone requires a development agreement specific to each area zoned as a PD Zone.

H. The Parties acknowledge that the development and improvement of the Property pursuant to this Agreement will provide certainty useful to the Developer and to City, individually and collectively, in ongoing and future dealings and relations among the Parties pertaining to the development of the Project.

I. The City has determined that the proposed development contains features which advance the policies, goals, and objectives of the City's General Plan; preserve and maintain the open and sustainable atmosphere desired by the citizens of the City; contribute to capital improvements which substantially benefit the City; and will result in planning and economic benefits to the City and its citizens.

J. This Agreement shall only be valid upon approval of such by the City Council and pursuant to Resolution R2023-06 a copy of which is attached as Exhibit E.

K. The Parties acknowledge that the terms of this Agreement shall be enforceable and the rights of the Developer relative to the Property shall vest only if the City Council, in its sole legislative discretion, approves a zoning change from the A-5 zone to both the R-M Zone as the base zone and the PD Zone as a zoning overlay for the Property, and approves R2023-06 (Exhibit E).

L. The Parties, having cooperated in the drafting of this Agreement, understand and intend that this Agreement is a "development agreement" within the meaning of, and is entered into pursuant to, the terms of Utah Code Ann. § 10-9a-103(12) (2022).

NOW THEREFORE, based on the foregoing recitals and in consideration of the mutual covenants and promises contained and set forth herein, the Parties agree as follows:

AGREEMENT

1. **Recitals; Definitions.** The recitals set forth above are incorporated herein by this reference. Any capitalized term used but not otherwise defined in this Agreement shall have the meaning ascribed to such term in the Act or City Code.

2. **Enforceability.** The Parties acknowledge that the terms of this Agreement shall be enforceable, and the rights of Developer relative to the Property shall vest, only if the City Council in its sole legislative discretion rezones the Property from the A-5 Zone to the R-M Zone as the base zone, rezones the Property with the Rise-PD Zone as the applicable PD Zone for the Property, and approves R2023-06 (Exhibit E).

3. **Effective Date.** This Agreement is effective on the date the last party executes this Agreement as indicated by the date stated under that party's signature line (the "Effective Date").

4. **Conflicting Terms.** The Property shall be developed in accordance with the requirements and benefits provided for in relation to the R-M Zone and the PD Zone under the City Code as of the Effective Date. If there is a discrepancy between the requirements of the City Code, including the R-M Zone or the PD Zone, and this Agreement, this Agreement shall control.

5. **Developer Obligations.**

- 5.1. Uses. Developer shall develop and use the Property to develop up to 20 twin homes and up to 134 townhomes in accordance with the Concept Plan.
- 5.2. Density. The Project is approved for 154 units as set forth herein. The Parties acknowledge that any density above 8.0 units/acre is explicitly granted by the City in exchange for Developer's off-site contributions set forth in Section 5.10 hereof.
- 5.3. Amenities. The Developer shall design and construct amenities on the Property as set forth in the Concept Plan and as otherwise detailed in Section 5.11.
- 5.4. Architecture and Building Materials. In addition to any other applicable design standards in the City's Code, the building architecture, elevations, materials, and general designs depicted in the attached Exhibit F are approved for use on the Property.
- 5.5. Fences. Developer shall install fencing according to the standards, and in the locations, depicted in the attached Exhibit G.
- 5.6. Landscaping. Developer shall comply with the City's water efficiency standards and other applicable landscaping requirements for the R-M and Rise-PD Zones.
- 5.7. Parking. Developer shall provide garage, driveway, and guest parking stalls for the Project as set forth in the Concept Plan.
 - 5.7.1. *No Parking Along 10840 South*. The Parties acknowledge that there will be no Project or other public parking along 10840 South. Developer shall pay for and install City-approved "No Parking" signs, according to the Manual on Uniform Traffic Control Devices or other applicable standards, in the public right-of-way for 10840 South. The Parties further acknowledge that this is a public right-of-way and, as such, parking enforcement on 10840 South will be the responsibility of the City.
- 5.8. Setbacks. Building setbacks shall be as depicted in the Concept Plan.
- 5.9. Subdivision Streets. In support of the City's pro-public street policies (as codified in City Code § 16.04.180) all of the roads within the Project will be public excepting only three alleys for rear-loaded units as depicted in the Concept Plan. Approved cross sections for all public and private roads within the Project are as depicted in the attached Exhibit H.
 - 5.9.1. *Alternative Access Road Design*. The Parties acknowledge that the existing 10840 South terminates at the boundary of the Property and parcel 27-14-401-026 (the "Adjacent Parcel"). The Owner of the Adjacent Parcel (the "Adjacent Owner") is not a party to this Agreement. Accordingly, the Parties agree to cooperate in working with the Adjacent Owner to

coordinate the alignment of 10840 South as depicted in the Concept Plan (Exhibit B). The previous sentence notwithstanding, the City is under no obligation to condemn or take by eminent domain, the right-of-way needed to construct 10840 South on the Adjacent Parcel, and the Developer is under no obligation to pay any amount to the Adjacent Owner in consideration for the construction of 10840 South on the Adjacent Parcel. Accordingly, the Parties agree that if the Adjacent Owner is unwilling, unable, or otherwise incapable of facilitating the construction of 10840 South on the Adjacent Parcel as depicted in the Concept Plan (Exhibit B), then the road shift depicted in the attached Exhibit I is approved for construction by the Developer. In connection therewith, Developer will deposit security with the City to ensure that the alterations to the existing right-of-way are returned to their current condition. This security, terms, conditions, and the standards of use/return thereof, will be captured in a subsequent agreement between the Parties hereto. The Parties agree that if the Developer constructs 10840 South as depicted in Exhibit I, then the City will not seek any compensation, fees, costs, or other monies from Developer if/when Adjacent Owner connects to the 10840 South right-of-way.

- 5.10. Off-Site Amenities. In exchange for the uses and intensity of uses approved for the Project, Developer agrees to donate \$575,000 (the “Donation”) to the City for the City’s design (estimated \$25,000) and construction (estimated \$550,000) of up to six pickleball courts in the East River Front Park east of the all-abilities playground (the “Off-Site Amenities”). If the actual cost to the City of the design and construction of the Off-Site Amenities and installation of signs pursuant to Section 5.13 hereof (together the “Actual Costs”) is less than the Donation, then the City shall reimburse the Developer in an amount equal to the difference of the Actual Costs and the Donation.

5.10.1. *Timing of Donation and Construction of Off-Site Amenities*. Developer shall remit the Donation to the City within 90 days of the Effective Date. City agrees to design and construct the Off-Site Amenities within 24 months of the Effective Date.

- 5.11. On-Site Amenities; Timing of On-Site Amenities. Developer shall design and construct certain amenities within the Project (collectively the “On-Site Amenities” or “On-Site Amenity”). The general location and type of On-Site Amenities are depicted in the attached Exhibit J. Developer will begin construction and installation of the first On-Site Amenity upon the City’s issuance of the 30th building permit for the Project. The Developer anticipates completing all of the On-Site Amenities in a timely manner that reasonably coincides with the progression of the development of the Project as a whole. The City may withhold the final 15 building permits for the project if, upon Developer’s application for the final 15 building permits, Developer has not achieved substantial completion of the On-Site Amenities.

- 5.12. Right-of-Way Improvements along 1055 West. The Developer shall install, or pay

to the City a fee-in-lieu in an amount equal to the installation, the right-of-way improvements along the portion of 1055 West that borders the Project (the “1055 ROW Improvements”). For purposes of this Section 5.12, the scope of the “1055 ROW Improvements” shall include widening of the road, curb, gutter, sidewalk and dedicating the improvements as public right-of-way as required in the City Code, including City’s Construction Standards and Specifications, and the South Jordan Transportation Master Plan.

- 5.13. Automobile Traffic on 1055 West. The Parties acknowledge that automobile traffic from the Project and the rest of the City traveling through the Project will have an impact on 1055 West. The actual impact is more clearly set forth in a traffic impact study on file with the City Engineer that was produced in connection with the planning of the Project. In order to mitigate the impact of Project traffic on 1055 West, Developer agrees to include signage at the exit of Road C from the Project onto 1055 West that encourages drivers to exit the Project onto 10840 South to the east. In addition, the City may use part of the Donation to install signage in or around the City’s cemetery on 1055 West as additional traffic mitigation measures.

6. **City Obligations.** City shall review development applications with respect to the Property in a timely manner, consistent with City’s routine development review practices and in accordance with all applicable laws and regulations including Utah State Code § 10-6-160 *et seq.*

7. **Plat Language.** The final plat for the Project shall contain the following language in a note:

This plat is subject to that certain Development Agreement dated _____, by and between the City of South Jordan and Riverpark Residential, LLC, including all provisions, covenants, conditions, restrictions, easements, charges, assessments, liens or rights, if any, created therein and recorded on _____ as Entry No. _____, in Book _____, at Page _____ of the Official Records of Salt Lake County.

8. **Minor Changes.** The Planning Department, after conferring with the City Manager, may approve minor modifications to the Developer Obligations which are necessary or advantageous in facilitating more desirable function and aesthetics of the Project.

9. **Vested Rights and Reserved Legislative Powers.**

- 9.1. Vested Rights. Consistent with the terms and conditions of this Agreement, City agrees Developer has the vested right to develop and construct the Project during the term of this Agreement in accordance with: (i) the R-M-6 Zone; (ii) the Rise-PD Zone designation; (iii) the City Code in effect as of the Effective Date; and (iv) the terms of this Agreement.

- 9.2. Reserved Legislative Powers. Developer acknowledges that City is restricted in its authority to limit its police power by contract and that the limitations, reservations and exceptions set forth herein are intended to reserve to City all of its police power that cannot be so limited. Notwithstanding the retained power of City to enact such legislation under the police powers, such legislation shall only be applied to modify the vested rights of Developer under this Agreement and with respect to use under

the zoning designations as referenced in this Agreement based upon the policies, facts and circumstances meeting the compelling, countervailing public interest exception to the vested rights doctrine in the State of Utah. Any such proposed change affecting the vested rights of the Property shall be of general application to all development activity in City and Salt Lake County; and, unless in good faith City declares an emergency, Developer shall be entitled to prior written notice and an opportunity to be heard with respect to the proposed change and its applicability to the Property under the compelling, countervailing public interest exception to the vested rights doctrine.

10. **Term.** This Agreement shall run with the land and shall continue in full force and effect until all obligations hereunder have been fully performed and all rights hereunder fully exercised; provided, however, that unless the parties mutually agree to extend the term, this Agreement shall not extend further than a period of ten (10) years from its date of recordation in the official records of the Salt Lake County Recorder's Office.

11. **Notices.** All Notices, filings, consents, approvals, and other communication provided for herein or given in connection herewith shall be validly given, filed, made, delivered or served if in writing and delivered personally or sent by registered or certified U.S. Postal Service mail, return receipt requested, postage prepaid to the following addresses or to such other addresses as either Party may from time to time designate in writing and deliver in like manner. Any such change of address shall be given at least ten days before the date on which the change is to become effective:

 South Jordan, Utah 84095

If to Developer: Riverpark Residential, LLC
 Attn: Bryan Flamm

 Draper, Utah 84020

12. **Mailing Effective.** Notices given by mail shall be deemed delivered seventy-two hours following deposit with the U.S. Postal Service in the manner set forth above.

13. **No Waiver.** Any Party's failure to enforce any provision of this Agreement shall not constitute a waiver of the right to enforce such provision. The provisions may be waived only in writing by the Party intended to be benefited by the provisions, and a waiver by a Party of a breach hereunder by the other Party shall not be construed as a waiver of any succeeding breach of the same or other provisions.

14. **Headings.** The descriptive headings of the paragraphs of this Agreement are inserted for convenience only and shall not control or affect the meaning or construction of any provision this Agreement.

15. **Authority.** The Parties to this Agreement represent that they have full power and authority to enter into this Agreement, and that all necessary actions have been taken to give full force and effect to

this Agreement. Developer represents and warrants it is fully formed and validly existing under the laws of the State of Utah, and that it is duly qualified to do business in the State of Utah and is in good standing under applicable state laws. Developer and City warrant to each other that the individuals executing this Agreement on behalf of their respective Party are authorized and empowered to bind the Party on whose behalf each individual is signing. Developer represents to City that by entering into this Agreement Developer has bound all persons and entities having a legal or equitable interest to the terms of this Agreement as of the Effective Date.

16. **Entire Agreement.** This Agreement, together with the Exhibits attached hereto, documents referenced herein and all regulatory approvals given by City for the Property contain the entire agreement of the Parties with respect to the subject matter hereof and supersede any prior promises, representations, warranties, inducements or understandings between the Parties which are not contained in such agreements, regulatory approvals and related conditions.

17. **Amendment.** This Agreement may be amended in whole or in part with respect to all or any portion of the Property by the mutual written consent of the Parties or by their successors-in-interest or assigns. Any such amendment of this Agreement shall be recorded in the official records of the Salt Lake County Recorder's Office.

18. **Severability.** If any of the provisions of this Agreement are declared void or unenforceable, such provision shall be severed from this Agreement. This Agreement shall otherwise remain in full force and effect provided the fundamental purpose of this Agreement and Developer's ability to complete the development of the Property as set forth in the Concept Plan is not defeated by such severance.

19. **Governing Law.** The laws of the State of Utah shall govern the interpretation and enforcement of this Agreement. The Parties shall agree that the venue for any action commenced in connection with this Agreement shall be proper only in a court of competent jurisdiction located in Salt Lake County, Utah. The Parties hereby expressly waive any right to object to such choice of law or venue.

20. **Remedies.** If either Party breaches any provision of this Agreement, the non-defaulting Party shall be entitled to all remedies available both at law and in equity.

21. **Attorney's Fees and Costs.** If either Party brings legal action either because of a breach of this Agreement or to enforce a provision of this Agreement, the prevailing Party shall be entitled to reasonable attorney's fees and court costs.

22. **Binding Effect.** The benefits and burdens of this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective heirs, legal representatives, successors in interest and assigns. This Agreement shall be incorporated by reference in any instrument purporting to convey an interest in the Property.

23. **No Third Party Rights.** The obligations of Developer and City set forth in this Agreement shall not create any rights in or obligations to any other persons or parties except to the extent otherwise provided herein.

24. **Assignment.** Developer may freely assign this Agreement, in which case the assignor or successor-in-interest shall be fully liable under this Agreement. Developer shall remain obligated for the

performance of this Agreement until it receives a written release from the City. The City shall grant a written release upon a showing that the Assignee is financially and otherwise capable of performing the obligations of the Agreement.

25. **No Agency Created**. Nothing contained in this Agreement shall create any partnership, joint venture, or agency relationship between the Parties.

26. **Dispute Resolution**. In the event of a dispute regarding the meaning, administration or implementation of this Development Agreement the parties shall meet and confer and attempt to resolve the dispute. If this is unsuccessful the parties shall engage in formal mediation within thirty days of the unsuccessful meeting. The parties shall mutually agree upon a single mediator and Developer shall pay the fees of the mediator. If the dispute remains unresolved after mediation the Parties may seek relief in the Third District Court for Salt Lake County, State of Utah.

D. Common Areas: All common area improvements in developments, including, but not limited to, buildings, open space, recreational facilities, roads, fences, utilities, landscaping, walkways, streetlights and signs not specifically dedicated to the City or accepted for ownership or maintenance by the City shall be perpetually owned and maintained by the property owners of the development or their agents through a special taxing district or owners' association with power to assess and collect fees for maintenance or other assessment and maintenance mechanisms acceptable to the City.

E. Prior Created Lots: Lots or parcels of land that legally existed or were created by a preliminary or final plat approval prior to the establishment of a Residential Zone shall not be denied a building permit solely for reason of nonconformance with the requirements of this chapter.

F. Approval: Before building permits are issued, all projects shall have been approved according to the provisions and requirements of this Code and the applicable plat recorded with the Salt Lake County Recorder's Office.

G. Open Space: Any open space provided within a subdivision to be jointly owned, maintained and preserved by a homeowners' association and/or special assessment area acceptable to the City shall be labeled and recorded as common area or as a perpetual open space easement. Private yard areas may not be counted as required open space. The City may determine the location of open space in a subdivision by considering topography, drainage or other land features. The City may require a cash bond or a letter of credit to guarantee installation of improvements.

H. Developer Requirements: Developers of projects that will include common area, private streets, shared private improvements, or shall otherwise include restrictive covenants shall submit a proposed declaration of conditions, covenants and restrictions ("CC&Rs") to the City for staff review. The CC&Rs shall be recorded concurrently with the final plat and, except where the City has agreed to and executed documents to guarantee the establishment of a special assessment area, shall include the following:

EXHIBIT D
(PD Zone Provisions)

17.130.050: PLANNED DEVELOPMENT FLOATING ZONE

17.130.050.010: PURPOSE

17.130.050.020: ESTABLISHMENT

17.130.050.030: AMENDMENTS

17.130.050.010: PURPOSE

The purpose of the Planned Development Floating Zone (PD) is to allow for flexibility in the application of zoning regulations and development provisions of this title to advance a public interest through prescriptive requirements of a development plan and development agreement approved by the City Council. The PD may be applied to specific geographical areas ("districts") in circumstances that address a unique situation, confer a substantial benefit to the City, or incorporate design elements or a mixture of uses that represent a significant improvement in quality over what could otherwise be accomplished by standard zoning and development provisions. Such circumstances may include, but are not limited to: improvements in open space and amenities, environmental and resource preservation, tree and vegetation protection, slope accommodations, improved infrastructure efficiency, exceptional and innovative site or building design, increased public benefits, and complementary integrated land uses. The City Council shall consider the purpose of the base zone and the impacts on and from surrounding properties when approving a PD District.

17.130.050.020: ESTABLISHMENT

A. Procedure:

1. Concept: A concept plan, that includes a preliminary site layout, basic sketches of proposed buildings, and a general understanding of proposed uses, shall be submitted for City Council review. Applicants are encouraged to work with staff prior to application to achieve an understanding of the surrounding area, the purpose of the base zone, and the goals and policies of the City's general plan. The Council shall provide advisory comments and recommendation regarding the concept plan to assist in the preparation of the development plan according to subsection B of this section. No action will be taken by the Council, and comments and recommendations will not obligate, compel, or constrain future action by the Council.
2. Rezone: A PD District shall only be established upon approval by the City Council as a rezone according to the provisions of chapter 17.22, "Zoning Amendments", of this title and as may be required elsewhere in this title, except that the requirement for a conceptual plan in subsection 17.22.030D of this title shall be replaced with a development plan according to subsection B of this section. The development plan shall be approved by development agreement in conjunction with the rezoning approval.
3. Concurrent Site Plan Or Preliminary Subdivision (Optional): At the applicant's option and with the approval of the Planning Director, the applicant may submit a site plan application and/or preliminary subdivision application to be processed concurrently with a PD rezone. In the case of concurrent applications, Planning Commission approval of a concurrent site plan and/or preliminary subdivision shall be contingent on the City Council's approval of the PD rezone.

B. Development Plan Requirements:

1. A written statement shall be provided that explains the intent of the proposal, explains how the PD provisions will be met, and identifies the requested revisions to standard zoning and development provisions.

2. A map and other textual or graphic materials as necessary to define the geographical boundaries of the area to which the requested PD District would apply.
3. A development plan shall also include:
 - a. Site plan/conceptual subdivision plan;
 - b. Circulation and access plan;
 - c. Building elevations, materials, and colors;
 - d. Landscape and open space plan;
 - e. Signage plan;
 - f. Lighting plan; and
 - g. Allowed uses.

C. Prohibited:

1. Sexually oriented businesses shall not be allowed in a PD District where otherwise prohibited by this Code.
2. A PD District shall not be approved in the P-C Zone or Single-Family Residential Zones (R-1.8, R-2.5, R-3, R-4, R-5).

D. Effect Of Approval:

1. All of the provisions of this Code, including those of the base zone, shall be in full force and effect, unless such provisions are expressly waived or modified by the approved development plan and/or development agreement.
2. An approved PD District shall be shown on the zoning map by a "-PD" designation after the designation of the base zone district.
3. No permits for development within an approved PD District shall be issued by the City unless the development complies with the approved development plan.
4. The Planning Director may authorize minor deviations from an approved development plan to resolve conflicting provisions or when necessary for technical or engineering considerations. Such minor deviations shall not affect the vested rights of the PD District and shall not impose increased impacts on surrounding properties.

E. Vested Rights:

1. A property right that has been vested through approval of a PD District shall remain vested for a period of three (3) years or upon substantial commencement of the project. A property right may be vested, or an extension of a vested property right may be granted, for a period greater than three (3) years only if approved by the City Council through an approved PD District.
2. Substantial commencement shall be the installation of infrastructure, a building having started construction, or as determined by the Planning Director based on significant progress otherwise demonstrated by the applicant. A project that has not substantially commenced may, at the discretion of the property owner, develop according to the base zone. A project that has substantially commenced shall not deviate, in whole or in part, from the approved PD District, unless amended per section 17.130.050.030 of this section 17.130.050.

17.130.050.030: AMENDMENTS

Any application to amend an approved PD District shall be processed as a zone text amendment, except that an application to extend the district boundaries shall be processed as a rezone. Any amendment to an approved PD District requires that the corresponding development agreement also be amended.
