STANDARD OF APPROVAL

1. LAND USE AMENDMENT:

The general plan may be amended by resolution of the City Council as follows:

- A. The process to amend the general plan and future land use map may be initiated by members of the City Council, by the City Manager or Planning Director, or by the owner of a subject property or his or her agent. A general plan land use or text amendment which is not initiated by the City may not be reinitiated for an amendment which was considered within the previous year without a majority vote of the City Council. A land use amendment should not impair the development potential of the subject parcel or neighboring properties.

- B. The Planning Commission shall hold a public hearing, as required by state law, after which the commission may modify the proposed general plan amendment. The Planning Commission shall then forward the proposed general plan amendment to the City Council.
- C. After receiving the recommendation of the Planning Commission, the City Council shall hold a public hearing, and may accept, accept with modifications, or reject the proposed general plan amendment.

(City Code § 17.12.030)

2. REZONE:

The rezoning of property may not be considered if the proposed zoning does not conform to the general plan. The following guidelines shall be considered in the rezoning of parcels:

- A. The parcel to be rezoned meets the minimum area requirements of the proposed zone or if the parcel, when rezoned, will contribute to a zone area which meets the minimum area requirements of the zone.
- B. The parcel to be rezoned can accommodate the requirements of the proposed zone.
- C. The rezoning will not impair the development potential of the parcel or neighboring properties.

(City Code § 17.22.020)

BACKGROUND:

The Applicant is requesting a land use amendment and zone change for City-owned property located at 10749 S 2200 W. This property is also intended to be subdivided into two lots and become the South Jordan City Park Subdivision. The current zone designation is Agriculture (A-5) and the intent is to rezone Lot 1 of the proposed subdivision to Single-Family Residential (R-1.8), and rezone Lot 2 to Open Space Park (OS-P).

In the future, the City intends to build a parking lot on Lot 2. In the short term the parking lot will provide additional parking for the park to the east. In the long term the parking lot will provide parking for a future fire station that will be located just east of the canal. The City intends to sell Lot 1 with the existing single-family home.

STAFF FINDINGS, CONCLUSIONS & RECOMMENDATION:

Findings:

- There is no development agreement associated with this rezone.
- The application meets the rezone standards of approval of the City Code.
- The rezone of Lot 1 to R-1.8 will match the zone of the neighborhood to the west and northeast.

- The rezone of Lot 2 to OS-P will match the zone of the South Jordan Recreational Soccer Fields to the east.
- Under the existing A-5 zone, the subject property is a nonconforming lot. With the zone change, Lots 1 & 2 of the South Jordan City Park Subdivision will come into compliance with lots size requirements of the R-1.8 and OS-P zones.
- On May 14, 2024, the Planning Commission recommended the City Council approve the proposed land use amendment and rezone.
- The Planning Commission approved the South Jordan City Park preliminary subdivision on May 14, 2024, subject to City Council's approval of this land use amendment and rezone.

Conclusion:

Based on the findings, the Application, if approved, will be consistent with the goals and policies of the General Plan and the City's Strategic Priorities, and as such, should be approved.

Recommendation:

Based on the findings and conclusion listed above, Staff recommends that the City Council take comments at the public hearing and **approve** the rezone application, unless, during the hearing, facts are presented that contradict these findings or new facts are presented, either of which would warrant further investigation by Staff.

ALTERNATIVES:

- Recommend approval of an amended application.
- Recommend denial of the application.
- Schedule the application for a decision at some future date.
