(e) Seller has not received notice of and has no reason to believe that the Property is associated with any other violations of law or contractual dispute or violation.

(f) Other than those Due Diligence Documents delivered to Buyer, no other instruments exist that bear upon or burden or otherwise impact the Property or its owner.

(g) Seller represents and warrants that the Property does not, and at Closing, shall not contain any underground storage tanks, surface impoundments, asbestos or asbestos-containing material, or polychlorinated biphenyls (PCB's) or PCB-containing materials, past or present refuse dump sites, chemical storage sites, areas of heavily stained soil, or sites of known hazardous substances releases; and the Property is free from the presence of hazardous waste or materials and no hazardous substances have been generated, stored, released, disposed of, or transported over, on or within the Property. (h) Other than what has been disclosed to Buyer, Seller has no knowledge of any fact or condition that would materially impair the fair market value of the Property, would materially increase the cost of operating the Property, or would be inconsistent with the terms of this Agreement.

(i) Seller acknowledges that Buyer is acquiring the Property to construct the Planned Use. Seller agrees not to object to or take any action inconsistent with Buyer's permitting efforts during the term of this Agreement and following conveyance of Property to Buyer in the event Buyer purchases the Property. 9. Seller's Use of the Property. From and after the Effective Date until Closing, or earlier termination of this Agreement, Seller shall not convey any right, title, or interest in or to the Property, or create or permit any new title exceptions with respect to the Property without Buyer's consent, other than exceptions to be cured by Closing. Further, except as otherwise provided for under this Agreement, Seller agrees to pay, when the same are due, all payments on any encumbrances presently affecting the Property and any and all taxes, assessments and levies in respect to the Property through the Closing.

(c) Buyer is satisfied with all its due diligence and inspections with respect to the Property;

(d) Buyer is satisfied that no other facts or circumstances exist that may make its acquisition, ownership, occupancy, or use of the Property imprudent, all in its sole and absolute discretion, in each case by the end of the Due Diligence Period; and

If any contingency in Section 10.1 (a) through (d) is not satisfied or waived by the applicable deadline noted above, then Buyer may terminate this Agreement by written notice to Seller at any time prior to such deadline.

10.2 Buyer's Approval Contingency. In addition, the obligations of Buyer under this Agreement are conditioned upon Buyer's approval, in its sole and absolute discretion, that the Property is suitable for the Planned Use no later than the Closing Date, and if such contingency is not satisfied by such date, then this Agreement shall automatically terminate as of such date without further action.

11. Closing.

11.1 Time and Place of Closing. The Closing shall occur in Escrow offered by the Title Company no later than the Closing Date, or at such other time and place as the Parties may mutually agree upon in writing, provided that this Agreement is not terminated as provided herein. A Party need not be present at Closing if that Party has delivered all the items it is required to deliver at Closing to Escrow by the Closing Date with escrow instructions consistent with this Agreement.

11.2 Actions at Closing. At the Closing, the following events shall occur, each being declared to have occurred simultaneously with the other. The Parties shall deliver all documents to be recorded and funds to be delivered to the Title Company in escrow, to hold, deliver, record and disburse in accordance with any supplemental escrow instructions, the form and content of which the Parties shall agree to prior to Closing.

iii. two (2) executed copies of such Seller's statement of settlement setting forth all (1) prorations and credits, if any, provided for in this Agreement, (2) disbursements of the Purchase Price, and (3) expenses of the Closing; and

iv. any other funds, instruments or documents (including any assigned Contracts) as may be reasonably requested by Buyer or the escrow agent or reasonably necessary to effect or carry out the purposes of this Agreement (which funds, instruments or documents are subject to Seller's prior approval, which approval may not be unreasonably withheld or delayed).

(b) Buyer's Deliverables. Buyer shall deliver:

i. the Purchase Price;

ii. any other funds, instruments or documents as may be reasonably requested by Seller or the Title Company or reasonably necessary to effect or carry out the purposes of this Agreement (which funds, instruments or documents are subject to Buyer's prior approval, which approval may not be unreasonably withheld or delayed).

11.3 Payment of Costs. Buyer and Seller shall each pay one-half of all Closing costs and escrow charges of the Title Company. Seller shall pay the premium for standard owner's title policy. Buyer shall pay for any additional premium required for an extended owner's policy of

title insurance and the cost of any endorsements requested by Buyer. Seller shall pay for any county and city taxes related to the transaction.

12. Default and Remedies.

12.1 Seller's Default. If Seller defaults in the performance of any of its covenants under this Agreement and fails to cure such default within five (5) days after notice thereof from Buyer to Seller, then Buyer may elect to: (a) terminate this Agreement, or (b) obtain specific performance of Seller's obligations under this Agreement plus recovery of all Buyer's costs and expenses in connection with such default.

12.2 Buyer's Default. If Buyer fails or refuses to perform its obligations under this Agreement, and such failure or refusal is not cured within five (5) business days after Buyer's receipt of written notice of such failure from Seller, Seller may seek the remedy proscribed in Section 12.4 below.

12.3 Escrow Cancellation Charges. If the escrow established in connection with this Agreement fails to close because of Seller's default, Seller will be liable for any cancellation charges by the Title Company. If the escrow fails to close because of Buyer's default, Buyer will be liable for any cancellation charges by the Title Company. If the escrow fails to close for any other reason, Buyer and Seller must split any cancellation charges equally, except that Buyer must bear the entire cost of the Title Commitment and any amendments thereto. Buyer and Seller will mutually execute cancellation.

Liquidated Damages. BUYER AND SELLER HEREBY AGREE THAT IT WOULD BE DIFFICULT TO ASCERTAIN THE ACTUAL DAMAGES RESULTING FROM A MATERIAL BREACH OF THIS AGREEMENT BY BUYER. THEREFORE, BUYER AND SELLER AGREE THAT IN THE EVENT OF A MATERIAL BREACH BY BUYER, SELLER'S SOLE AND EXCLUSIVE REMEDY SHALL BE WAIVED.

13. Real Property Taxes. Real property taxes and assessments shall be prorated as of Closing. Seller shall be responsible for any and all deferred or abated taxes and related interest and charges, any past due taxes and assessments through Closing and shall cause such to be paid and removed at or before Closing. The current year's taxes shall be prorated between the Parties as of Closing.

This Agreement contains the entire agreement between the Parties respecting the matters herein set forth and supersedes all prior agreements, whether written or oral, between the Parties respecting such matters. This Agreement may be amended or modified only by mutual written agreement.

All warranties, representations, covenants and agreements contained in this Agreement and all documents delivered in connection with this Agreement, in each case, that by their nature are intended to survive shall survive the Closing of the transaction contemplated hereby or, if applicable, the termination of this Agreement.

15.3 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors, heirs, administrators, and assigns; provided, however, that notwithstanding the foregoing, neither Party's interest under this Agreement may be assigned, encumbered, or otherwise transferred, whether voluntarily, involuntarily, by operation of law or otherwise.
