## ANALYSIS

Thomas Hunt, on behalf of VP Daybreak Operations LLC, has filed an application to amend lot C-107 of the Daybreak Village 7A Plat 3 subdivision. The applicant is requesting the South Jordan Planning Commission review and approve the proposal to create two additional lots within the boundaries of the existing lot C-107.

The existing lot C-107 is 6.11 acres in area. The proposal will create two additional lots totaling 3.25 acres, and a remainder of 2.86 acres.

An application has been submitted for a stand-alone carwash to be constructed on lot 1(1.00 ac.) of the amended subdivision. A multi-tenant building is proposed for lot 2(2.25 ac.)

## STAFF FINDINGS, CONCLUSIONS & RECOMMENDATIONS:

Findings:

- Good cause exists for the amendment since further division of Lot C-107 will be economically advantageous to both the current and future property owners and also to South Jordan City (increased property and sales tax revenue).
- The proposed amendment meets all of the provisions of South Jordan Municipal Code Section 16.14 in regards to amendments to subdivisions.
- The proposed amendment is consistent with the PC zone and Kennecott Master Subdivision requirements.
- All State subdivision amendment review requirements have been followed.

Conclusions:

• The proposed amended subdivision remains consistent with both the Community Structure Plan and Daybreak Development Plan.

## Recommendation:

• Based on the Findings and Conclusion listed above, Staff recommends that the Planning Commission take comments at the public hearing and approve the subdivision amendment, unless, during the hearing, facts are presented that contradict these findings or new facts are presented, either of which would warrant further investigation by staff.

## FISCAL IMPACT:

• None.

## ALTERNATIVES:

- Approve the subdivision amendment.
