Briefly describe the qualifications you possess which you feel would be an asset to the

Commission/Committee for which you are applying: Having raised an adopted Samoan son since 5 months old I've dealt with racism. He attended Sonora High. I have read extensively on problems we face as a country; most recent being How To Be An Antiracist by Ibram X Kendi. I belong to two groups in our County who read and discuss concerns and search for ways to educate others on how to look at social inequity and racist policies and come up with concrete suggestions

I have helped established a program for LGBTQ in Eastport, Maine. We organized a parade, held an information fair and on some events.

Briefly explain why you would like to serve on the Commission/Committee: I would like to serve on the Social Justice Committee as I know a community is stronger when all people feel safe and heard. I believe I can help this happen.

I have sufficient time to devote to this responsibility and plan to attend the required meetings if I am appointed to this position. I understand that if I am appointed to a Commission where a Statement of Economic Interests Form 700 is required by State Law or Council Policy, I shall comply within thirty (30) calendar days of assuming office.

I hereby consent that this document is considered a public record and will be available to the public for review.
