DATE: June 1, 2026

TO: Honorable Mayor and Members of the City Council

FROM: Carlye Buchholz, P.E., P.L.S., City Engineer

SUBJECT: SB1 Road Maintenance and Rehabilitation Account Funding.

RECOMMENDATION:

Consider Adoption of Resolution 06-01-2026-B, Approving a List of Projects to Receive Road Maintenance and Rehabilitation Account Funding (RMRA).

BACKGROUND:

On April 28, 2017, the Governor signed Senate Bill 1 (SB1), which is known as the Road Repair and Accountability Act of 2017. To address basic road maintenance, rehabilitation, and critical safety needs on both State and Local roads, SB1 increased per gallon fuel excise taxes, diesel fuel sales taxes and vehicle registration fees; and provided for inflationary adjustments to tax rates in future years.

DISCUSSION / ANALYSIS:

In order to be eligible for RMRA funding, statute requires cities to provide basic annual projects reporting to the California Transportation Commission. All projects proposed to receive funding must be included in an approved budget and list adopted by the City Council at a regular public meeting.

Eligible projects include:

- Road maintenance and rehabilitation
- Safety projects
- Traffic control devices

FISCAL IMPACT:

Approval of the Road Maintenance and Rehabilitation Account Resolution is required to continue receiving Road Maintenance and Rehabilitation Account (RMRA) funding pursuant to Senate Bill 1 (SB 1). The City estimates FY2026/27 RMRA revenues in the amount of approximately \$136,000. Following planned expenditures associated with the Snell Road Reconstruction Project, the RMRA fund balance is projected to be approximately \$653,000. These funds are restricted for eligible street maintenance, rehabilitation, and related transportation improvement projects in accordance with SB 1 requirements.
