

## PARKING & TRAFFIC COMMISSION AGENDA REPORT

**MEETING DATE:** May 4, 2022  
**TO:** The Parking & Traffic Commission  
**FROM:** Jeffrey Michels  
**SUBJECT:** S. Green St. Parking Designation

---

### RECOMMENDATION

Consideration of request from Jeffrey Michels to dedicate parking on South Green Street to 15 minute parking for Hotel Lumberjack registration.

### DISCUSSION

On September 16, 2021, Jeffrey Michels stated:

*“We would like for the City to kindly consider transferring the two spaces adjacent to the hotel parking lot to be dedicated spaces for hotel registration – 15-minute parking. Currently these spaces are being used by local residents who park and leave their vehicles for very long periods of time (days). This change would greatly help out daily operations.”*

City Engineer, Gerard Fuccillo, supported dedicating the parking as requested.

### FISCAL IMPACT

Public Work’s assessment of cost was approximately \$600 for two signs and \$400 for labor, amounting to \$1,000.
