SUBJECT: Introduction of Newly Promoted Police Sergeant

RECOMMENDATION

Introduction and Swearing in of Police Sergeant Scott Mallon.

DISCUSSION

Scott Mallon was raised on the Big Island of Hawaii. He left Hawaii to serve in the U.S. Navy then ultimately the U.S. Army National Guard. Scott moved to Monterey, where he began working as an EMT and, after nearly six years, started his career in law enforcement with the Seaside Police Department. Scott transferred to the San Francisco Police Department, where he reached the rank of Field Training Officer.

The Sonoma Police Department hired Scott in July of 2016, and he now has over thirteen years of law enforcement experience. Scott has been assigned the role of Field Training Officer with our agency, and most recently, he served as Acting Police Sergeant.

It is my pleasure to announce that Scott Mallon was officially promoted to the rank of Police Sergeant, effective October 31st, 2020. Scott's wife Sarah had the honor of pinning Scott with his new badge.
