RECITALS

- A. On October 9, 2015, Governor Jerry Brown signed three bills into law (Assembly Bill 266, Assembly Bill 243, and Senate Bill 643) which are collectively referred to as the Medical Cannabis Regulation and Safety Act ("MCRSA"). MCRSA establishes a statewide regulatory system for the cultivation, processing, transportation, testing, manufacturing, and distribution of medical marijuana to qualified patients and their primary caregivers.
- B. On November 8, 2016, California voters enacted Proposition 64, the Control, Regulate and Tax Adult Use of Marijuana Act, also known as the Adult Use of Marijuana Act ("AUMA"), which establishes a comprehensive system to legalize, control, and regulate the cultivation, processing, manufacture, distribution, testing, and sale of nonmedical cannabis, including cannabis products, for use by adults 21 years and older, and to tax the growth and retail sale of cannabis for nonmedical use.
- C. On June 27, 2017, Governor Jerry Brown signed into law the Medicinal and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA"), which creates a single regulatory scheme for both medicinal and adult-use cannabis businesses. MAUCRSA retains the provisions in MCRSA and AUMA that granted local jurisdictions control over whether businesses engaged in Commercial Cannabis Activity, as defined in Section 1.4 of this Agreement, may operate in a particular jurisdiction.

- D. Developer proposes to improve, develop, and use real property to operate a medicinal Cannabis Dispensary, as defined in Section 1.4 of this Agreement, in strict accordance with California Cannabis Laws, as defined in Section 1.4 of this Agreement, and the Municipal Code of the City of Sonora, as each may be amended from time to time (the "Project").
- E. To strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development, the California Legislature adopted Government Code section 65864 *et seq.* (the "Development Agreement Statute"), which authorizes City and an individual with an interest in real property to enter into a development agreement that establishes certain development rights in real property that is subject to a development agreement application.
- F. Developer submitted a written application to the City Department of Planning and Community Development for consideration of a development agreement.
- G. Developer has leased that certain real property located at 1248 Mono Way, in the City of Sonora, County of Tuolumne, State of California, Assessor's Parcel Number 056-190-012 (the "Original Site").
- H. Government Code section 65865 requires an applicant for a development agreement hold a legal or equitable interest in the real property that is the subject of the development agreement.
- I. Developer has leased the Site for the purpose of carrying out the Project. A copy of the lease is attached hereto as **Exhibit C**, within satisfaction of the requirement of Sonora Municipal Code Chapter 8.36. The legal owner of the Site is aware of, and agrees to, the Project operating at the Site.
- J. Government Code section 65867.5 requires the Planning Commission hold a public hearing to review an application for a development agreement.
- K. On October 9, 2018, the Sonora Planning Commission ("Planning Commission") in a duly noticed and conducted public hearing, considered Developer's application for this Agreement.
- L. On October 9, 2018, the Planning Commission adopted Resolution No. _____ recommending the Sonora City Council ("City Council") adopt Ordinance No. _____, to allow Developer to operate a medicinal Cannabis Dispensary at the Site.
- M. On January 16, 2018, the City Council adopted Ordinance No. 18-848, establishing a Cannabis Business Pilot Program regulating the operation of cannabis businesses within the City.

- N. Pursuant to Government Code section 65867.5, on _____, 2018, the City Council reviewed, considered, adopted, and entered into this Agreement pursuant to Ordinance No. _____.
- O. On November 16, 2020, the City Council adopted Ordinance No. 873 to amend the Cannabis Business Pilot Program setting forth local regulations for commercial cannabis operations within the City, as permitted and regulated under state law, to allow the sale of recreational adult-use cannabis in the City.
- P. On January 16, 2018, the City Council adopted Ordinance No. 848, establishing a Cannabis Business Pilot Program regulating the operation of cannabis businesses within the City.
- Q. Developer will no longer be operating the Project at the Original Site, and will open a Cannabis at 1201 Mono Way, in the City of Sonora, County of Tuolumne, State of California (the “Site”), more particularly described in the legal description attached hereto as **Exhibit A** and the Site Map attached hereto as **Exhibit B**.
- R. On [Date], 2021, the Planning Commission, in a duly noticed and conducted public hearing, considered this Amendment and recommended the City Council adopt Ordinance No. 878, which would allow Developer to operate a commercial Cannabis Dispensary at the Site.
- S. On [Date], 2021, the City Council adopted Ordinance No. 878, to allow Developer to operate a commercial Cannabis Dispensary at the Site.
- T. This Agreement is entered into pursuant to the Development Agreement Statute and the Sonora Municipal Code.
- U. Section 1.6. Effective Date of Agreement. This Agreement shall become effective upon the date that the ordinance approving this Agreement becomes effective (the “Effective Date”).

Section 1.7. Term. The “Term” of this Agreement is three (3) years from the Effective Date, unless terminated or extended earlier, as set forth in this Agreement.

(a) Government Tolling or Termination. City may provide written notice to Developer to cease all Commercial Cannabis Activity, upon which Developer shall immediately comply, if City is required, directed, or believes, in its sole and absolute discretion, it must temporarily halt or terminate Commercial Cannabis Activity within the City to comply with federal or state law. If City temporarily halts this Agreement to comply with federal or state law, this Agreement shall be tolled for one (1) year (the “Tolling Period”). Developer shall not accrue or be liable to City for any Ministerial Fees or Public Benefit Amount during the Tolling Period. Developer shall resume paying any applicable fees after the Tolling Period ends. City and Developer shall discuss in good faith the termination of this Agreement if the Tolling Period exceeds one (1) calendar year.

(c) Developer Termination. Developer may provide written notice to City of intent to cease all Commercial Cannabis Activity, if Developer is required, directed, or believes, in its sole and absolute discretion, it must temporarily halt or terminate Commercial Cannabis Activity. In such an event, Developer obligations under this Agreement shall terminate. Any resumption of Commercial Cannabis Activity shall be subject to approval by the City Administrator.

In the event of conflict between the various land use documents referenced in this Agreement, the Parties agree that the following sequence of approvals establishes the relative priority of the approvals, each approval superior to the approvals listed thereafter: (a) General Plan, (b) Agreement, (c) Conditional Use Permit, and (d) Subsequent City Approvals, as defined in Section 3.1 of this Agreement.

The failure to timely pay any such additional amounts requested by City shall be considered a material default of this Agreement and City may immediately terminate this Agreement.

(b) Accounting. Developer may request, and City shall issue within a reasonable time, an accounting and written acknowledgement of Processing Costs paid to City.

ARTICLE 2 DEVELOPMENT OF PROPERTY

Section 2.1. Vested Right of Developer. During the Term, in developing the Site consistent with the Project described herein, Developer is assured that the development rights, obligation terms, and conditions specified in this Agreement, including, without limitation, the terms, conditions, and limitations set forth in the Exhibits, are fully vested in Developer and may not be modified or terminated by City except as set forth in this Agreement or with Developer’s written consent.

Section 2.2. Vested Right to Develop. In accordance with Section 2.1, Developer shall have the vested right to develop and use the Project consistent with this Agreement, the Conditional Use Permit, and Subsequent City Approvals.

Section 2.3. Commercial Cannabis Business on Site Only. Developer shall only conduct Commercial Cannabis Business on the Site after the Effective Date of this Agreement. All Commercial Cannabis Business operations on the Original Site shall cease upon the Effective Date of this Agreement.

Section 2.4. Permitted Uses and Development Standards. Developer shall be authorized to develop, construct, and use the Site for Commercial Cannabis Activity consistent with the following license type (the “Authorized License”):

Type 10	Retail (M-Type 10 License)
Type 10	Retail (A-Type 10 License)

- (a) **M-Type 10 License Required.** Developer shall be permitted to use the Site consistent with the M-Type 10 License for the Term of this Agreement and during the time Developer is applying for the Authorized License with the applicable State Licensing Authority. Developer shall begin operations of the Project under the Authorized License within six (6) months of the issuance of a Conditional Use Permit or adoption of the operative ordinance approving this Agreement, whichever is later, unless Developer is prevented from doing so due to any event or circumstance set forth in Section 8.6 of this Agreement. Notwithstanding the foregoing, Developer is required to apply for the A-Type 10 License from the State Licensing Authority. If the State Licensing Authority does not grant the A-Type 10 License to Developer, Developer may continue to operate pursuant to their M-Type 10 License. Developer shall also, within thirty (30) calendar days of receiving notice from the State Licensing Authority, notify City of the State Licensing Authority's denial, revocation, suspension or rejection of either Authorized License.
- (b) **A-Type 10 Commercial License Not Required.** So long as Developer maintains the M-Type 10 License, Developer shall also be permitted to use the Site consistent with the A-Type 10 License for the Term of this Agreement. If Developer's M-Type 10 License is revoked, denied, suspended, or otherwise ineffective, Developer shall immediately cease operations pursuant to the A-Type 10 License as well. In this situation, the provisions of subdivision (a) shall apply. If Developer's A-Type 10 License is not granted, or is revoked, denied, suspended, or otherwise ineffective, Developer may use the Site consistent with its M-Type 10 License.
- (c) The Parties intend for this Agreement and the Conditional Use Permit to serve as the definitive and controlling documents for all subsequent actions, discretionary or ministerial, relating to development of the Site and Project.

Section 2.5. Major Amendment to Permitted Uses. Developer may request to add to the Authorized License one or more of the license types then authorized by the California Cannabis Laws. If City Council allows any Additional Licenses, City Council shall make a finding of whether Developer's Additional Licenses will have any additional impact on City neighborhoods, infrastructure, or services. Developer shall be required to compensate City for all additional impacts on City infrastructure or services associated with any Additional Licenses and the Public Benefit Amount shall be revised accordingly. This process shall be a Major Amendment to this Agreement.

Section 2.6. Conditional Use Permit. Prior to commencing operation of any Commercial Cannabis Activity on the Site, Developer shall obtain a Conditional Use Permit and any applicable Subsequent City Approvals. Developer shall be required to comply with all provisions of the Sonora Municipal Code and any City rules and administrative guidelines associated with implementation of the Cannabis Business Pilot Program. Nothing in this Agreement shall be construed as limiting the ability of City to amend the Sonora Municipal Code or issue rules or administrative guidelines associated

with implementation of the Cannabis Business Pilot Program or Developer's obligation to strictly comply with the same.

Section 2.7. Subsequent Entitlements, Approvals, and Permits. Successful implementation of the Project shall require Developer to obtain additional approvals and permits from City and other local and state agencies. City shall comply with CEQA in the administration of all Subsequent City Approvals. In acting upon any Subsequent City Approvals, City's exercise of discretion and permit authority shall conform to this Agreement. Notwithstanding the foregoing, in the course of taking action on the Subsequent City Approvals, City will exercise discretion in adopting mitigation measures as part of the Conditional Use Permit. The exercise of this discretion is not prohibited by this Agreement, but the exercise of that discretion must be reasonable and consistent with this Agreement. Nothing in this Agreement shall preclude the evaluation of impacts or consideration of mitigation measures or alternatives, as required by CEQA.

(a) Contemplated City Rules and Guidelines. City anticipates issuing additional rules and administrative guidelines associated with implementation of the Cannabis Business Pilot Program. City may establish requirements that are identical to or place a higher standard of care as existing provisions of the California Cannabis Laws, State Cannabis Regulations, or any amendments thereto. City reserves the right to adopt additional categories of rules or guidelines that are not listed in this Section as part of the Cannabis Business Pilot Program. Developer shall comply with any and all administrative guidelines adopted by City that govern or pertain to the Project. Nothing in this Agreement shall be construed as limiting the City to amend the Sonora Municipal Code or issue rules or guidelines following the Effective Date of this Agreement that Developer will be required to adhere to.

Section 2.8. Initiatives and Referenda. If any City ordinance, rule or regulation, or addition to the Sonora Municipal Code is enacted or imposed by a citizen-sponsored initiative or referendum after the Effective Date that would conflict with this Agreement, an associated Conditional Use Permit, Subsequent City Approvals, or reduce the development rights or assurances provided to Developer in this Agreement, such Sonora Municipal Code changes shall not be applied to the Site or Project; provided, however, the Parties acknowledge that City's approval of this Agreement is a legislative action subject to referendum. City shall cooperate with Developer and shall undertake such reasonable actions as may be appropriate to ensure this Agreement remains in full force and effect and is implemented in accordance with its terms to the fullest extent permitted by state or federal law.

Section 2.9. Regulation by Other Government Entities. Developer acknowledges that City does not have authority or jurisdiction over any other government entities' ability to grant governmental approvals or permits or to impose a moratorium or other limitations that may negatively affect the Project or the ability of City to issue a permit to Developer or comply with the terms of this Agreement. Any moratorium imposed by another government entity, including the State Licensing Authority, on City shall not cause City to be in breach of this Agreement.

Section 2.10. Developer's Right to Rebuild. Developer may renovate portions of the Site any time within the Term of this Agreement consistent with the Sonora Municipal Code. Any such renovation or rebuild shall be subject to all design, building code, and other requirements imposed on the Project by this Agreement.

Section 2.11. Changes in California Building Standards Codes. Notwithstanding any provision of this Agreement to the contrary, development of the Project shall be subject to changes occurring from time to time to the California Building Standards Codes.

Section 2.12. Changes Mandated by Federal or State Law. The Site and Project shall be subject to subsequently enacted state or federal laws or regulations that may preempt the Sonora Municipal Code, or mandate the adoption or amendment of local regulations, or are in conflict with this Agreement or local rules or guidelines associated with the Cannabis Business Pilot Program. As provided in Section 65869.5 of the Development Agreement Statute, in the event state or federal laws or regulations enacted after the Effective Date prevent or preclude compliance with one or more provisions of this Agreement, such provisions shall be modified or suspended as may be necessary to comply with such state or federal laws or regulations. Upon discovery of a subsequently enacted federal or state law meeting the requirements of this Section, City or Developer shall provide the other Party with written notice of the state or federal law or regulation, and a written statement of the conflicts thereby raised with the provisions of the Sonora Municipal Code or this Agreement. Promptly thereafter, City and Developer shall meet and confer in good faith in a reasonable attempt to modify this Agreement, as necessary, to comply with such federal or state law or regulation provided City shall not be obligated to agree to any modification materially increasing its obligations or materially adversely affecting its rights and benefits hereunder. In such discussions, City and Developer will attempt to preserve the terms of this Agreement and the rights of Developer derived from this Agreement to the maximum feasible extent while resolving the conflict. If City, in its judgment, determines it necessary to modify this Agreement to address such conflict, City shall have the right and responsibility to do so, and shall not have any liability to Developer for doing so or be considered in breach or default of this Agreement. City also agrees to process, in accordance with the provisions of this Agreement, Developer' proposed changes to the Project that are necessary to comply with such federal or state law and that such proposed changes shall be conclusively deemed to be consistent with this Agreement without further need for any amendment to this Agreement.

Section 2.13. Health and Safety Emergencies. In the event that any future public health and safety emergencies arise with respect to the development contemplated by this Agreement, City agrees that it shall attempt, if reasonably possible as determined by City in its discretion, to address such emergency in a way that does not have a material adverse impact on the Project. If City determines, in its discretion, that it is not reasonably possible to so address such health and safety emergency, to select that option for addressing the situation which, in City's discretion, minimizes, so far as reasonably possible, the impact on development and use of the Project in accordance with this Agreement, while still addressing such health and safety emergency in a manner acceptable to City.

ARTICLE 3
ENTITLEMENT AND PERMIT PROCESSING, INSPECTIONS

Section 3.1. Subsequent City Approvals. City shall permit the development, construction, and conditionally permitted use contemplated in this Agreement. City agrees to timely grant, pursuant to the terms of this Agreement, the Sonora Municipal Code, and any Subsequent City Approvals reasonably necessary to complete the goals, objectives, policies, standards, and plans described in this Agreement. The Subsequent City Approvals shall include any applications, permits, and approvals required to complete the improvements necessary to develop the Site, in general accordance with this Agreement (“Subsequent City Approvals”). Nothing herein shall require City to provide Developer with Subsequent City Approvals prior to, or without complying with, all of the requirements in this Agreement, the Sonora Municipal Code, and any applicable state law.

Section 3.2. Timely Processing. City shall use its reasonable best efforts to process and approve, within a reasonable time, any Subsequent City Approvals or environmental review requested by Developer during the Term of this Agreement.

Section 3.3. Cooperation between City and Developer. Consistent with the terms set forth herein, City agrees to cooperate with Developer, on a timely basis, in securing all permits or licenses that may be required by City or any other government entity with permitting or licensing jurisdiction over the Project.

Section 3.4. Further Consistent Discretionary Actions. The exercise of City's authority and independent judgment is recognized under this Agreement, and nothing in this Agreement shall be interpreted as limiting City's discretion or obligation to hold legally required public hearings. Except as otherwise set forth herein, such discretion and action taken by City shall, however, be consistent with the terms of this Agreement and not prevent, hinder or compromise development or use of the Site as contemplated by the Parties in this Agreement.

ARTICLE 4
PUBLIC BENEFIT, PROCESSING, AND OVERSIGHT

Section 4.1. Processing Fees and Charges. Developer shall pay to City those processing, inspection, plan checking, and monitoring fees and charges required by City which are in force and effect at the time those fees and charges are incurred (including any post-Effective Date increases in such fees and charges) for processing applications and requests for building permits, inspections, other permits, approvals and actions, and monitoring compliance with any permits issued or approvals granted or the performance of any conditions (each a “Ministerial Fee” and collectively, the “Ministerial Fees”).

Section 4.2. Public Benefit.

(a) The Parties acknowledge and agree that this Agreement confers substantial private benefits upon Developer that will place burdens upon City infrastructure, services, and neighborhoods. Accordingly, the Parties intend to provide consideration to City to

offset these impacts that commensurate with the private benefits conferred on Developer (the “Public Benefit”). In consideration of the foregoing, Developer shall remit to City as follows:

Effective Date	No Public Benefit Due.
First (1 st) Business Day following 1 st Month in which Developer commences Commercial Cannabis Activity, through the end of the Term.	\$12,500 each month, or 7.5% of total Gross Cannabis Receipts (medicinal and recreational cannabis sales) from operations, whichever is higher.

(b) This amount shall be known as the “Public Benefit Amount”.

(c) Developer shall remit the Public Benefit as applicable, to City on a monthly basis, as described in subdivision (a). Payments shall be due on the first (1st) business day of each month and will be considered delinquent on the tenth (10th) business day. Failure to remit the Public Benefit, as applicable, is a material breach of this Agreement.

(d) Developer shall file an applicable statement that complies with the California State Board of Equalization, California Department of Tax and Fee Administration, or either’s successor agency (the “State Taxing Authority”) for sales tax purposes, showing the true and correct amount of Gross Receipts from Operations of the Project in accordance with the State Taxing Authority’s rules and regulations. Developer shall provide a copy of any such statement to City within three (3) business days of filing with the State Taxing Authority.

Section 4.3. Reporting. Developer shall provide City with copies of any reports provided to a State Licensing Authority or a State Taxing Authority within forty-five (45) calendar days of that submission. Failure or refusal of Developer to (a) provide any such report to City, State Licensing Authority, or the State Taxing Authority within the time required by that entity, or (b) pay the Public Benefit Amount or amount due to a State Licensing Authority or State Taxing Authority when the same are due and payable, shall constitute full and sufficient grounds for the revocation or suspension of the Conditional Use Permit.

Section 4.4. Records. Developer shall keep records of all Commercial Cannabis Activity in accordance with Chapter 16 (commencing with Section 26160) of Division 10 of the Business and Professions Code and the State Retail Cannabis Regulations. All records required by this Article 4 shall be maintained and made available for City’s examination and duplication (physical or electronic) at the Site or at an alternate facility as approved in writing by the City Administrator or his or her designee. Upon request, Developer shall make all records relating to this Article 4 available to City within three (3) calendar days.

Section 4.5. Penalty. Developer acknowledges that to ensure proper compliance with the terms of this Agreement and any applicable laws, City must engage in costly compliance review, inspections, and, if necessary, enforcement actions to protect the health, safety, and welfare of its residents. Penalty and interest provisions are necessary to assist City in compliance review and enforcement actions. If Developer fails to make any payment when due as required by this Agreement, including the Public Benefit Amount, City may impose a “Non-Performance Penalty.” A Non-Performance Penalty of ten percent (10%) shall be applied to all past due payments. City shall deliver to Developer a “Notice of Non-Performance Penalty,” attached hereto as **Exhibit E**. Payment of the Non-Performance Penalty shall be in a single installment due on or before a date fifteen (15) calendar days following delivery of the Notice of Non-Performance Penalty.

Section 4.6. Interest on Unpaid Non-Performance Penalty. If Developer fails to pay the Non-Performance Penalty after City has delivered the Notice of Non-Performance Penalty, then, in addition to the principal amount of the Non-performance Penalty, Developer shall pay City interest at the rate of eighteen percent (18%) per annum, computed on the principal amount of the Non-Performance Penalty, from a date fifteen (15) calendar days following delivery of the Notice of Non-performance Penalty.

Section 4.7. Exempt from City Tax. For the Term of this Agreement, Developer shall be exempt from any City tax, including a business license tax, on commercial Cannabis businesses. Notwithstanding, Developer and Project shall be subject to any and all taxes, assessments, or similar charges or fees of general applicability enacted by the federal government, state government, or County of Tuolumne, including any tax applicable to an area greater than the City limits to which City may be a party (i.e. county tax sharing agreement).

ARTICLE 5 PUBLIC FACILITIES, SERVICES, AND UTILITIES

City shall use the Public Benefit Amount to pay for the impact on and maintenance or improvement of City neighborhoods and the existing level of service of City infrastructure and services to accommodate for the Project.

ARTICLE 6 INSURANCE AND INDEMNITY

Section 6.1. Insurance. Developer shall require all persons doing work on the Project, including its contractors and subcontractors (collectively, “Developer” for purposes of this Article 6 only), to obtain and maintain insurance of the types and in the amounts described in this Article with carriers reasonably satisfactory to City.

(a) General Liability Insurance. Developer shall maintain commercial general liability insurance or equivalent form with a limit of not less than Two Million Dollars (\$2,000,000) (or as otherwise approved, in writing, by City) per claim and Two Million Dollars (\$2,000,000) each occurrence. Such insurance shall also:

(i) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as “Additional Insureds” by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed additional insured.

(ii) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

(iii) Contain standard separation of insured provisions.

(b) Automotive Liability Insurance. Developer shall maintain business automobile liability insurance or equivalent form with a limit of not less than One Million Dollars (\$1,000,000) for each accident. Such insurance shall include coverage for owned, hired, and non-owned automobiles. Such insurance shall also:

(i) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as Additional Insureds by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed Additional Insureds.

(ii) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

(iii) Contain standard separation of insured provisions.

(c) Workers’ Compensation Insurance. Developer shall take out and maintain during the Term of this Agreement, workers’ compensation insurance for all of Developer’s employees employed at or on the Project, and in the case any of the work is subcontracted, Developer shall require any general contractor or subcontractor similarly to provide workers’ compensation insurance for such contractor’s or subcontractor’s employees, unless such employees are covered by the protection afforded by Developer. In case any class of employee engaged in work on the Project is not protected under any workers’ compensation law, Developer shall provide and shall cause each contractor and subcontractor to provide adequate insurance for the protection of employees not otherwise protected. Developer hereby indemnifies City for any damage resulting from failure of Developer, its agents, employees, contractors, or subcontractors to take out or maintain such insurance. Workers’ compensation insurance with statutory limits and employer’s liability insurance with limits of not less than One Million Dollars (\$1,000,000) for each accident shall be maintained.

Section 6.2. Other Insurance Requirements. Developer shall do all of the following:

(a) Prior to taking any actions under this Agreement, furnish City with properly executed certificates of insurance that clearly evidence all insurance required in this Article, including evidence that such insurance will not be canceled, allowed to expire, or be materially reduced in coverage without thirty (30) days prior written notice to City.

(b) Provide to City, upon request, and within seven (7) calendar days of said request, certified copies of endorsements and policies, and properly executed certificates of insurance evidencing the insurance required herein.

(c) Replace or require the replacement of certificates, policies, and endorsements for any insurance required herein expiring prior to the termination of this Agreement.

(d) Maintain all insurance required herein from the Effective Date of this Agreement to the earlier of the expiration of the Term or the mutual written termination of this Agreement.

(e) Place all insurance required herein with insurers licensed to do business in California with a current Best's Key Rating Guide reasonably acceptable to City.

Section 6.3. Indemnity. To the fullest extent permitted by law, Developer shall defend, indemnify, and hold harmless City and its agents, elected and appointed officials, officers, employees, consultants, and volunteers (collectively, "City's Agents") from any and all liability arising out of a claim, action, or proceeding against City, or City's Agents, to attack, set aside, void, or annul an approval concerning the Project, this Agreement, any applicable Conditional Use Permit, or Subsequent City Approvals. Developer shall execute the indemnification agreement ("Indemnification Agreement") attached hereto as **Exhibit D**.

Section 6.4. Failure to Indemnify; Waiver. Failure to indemnify City, when required by this Agreement, shall constitute a material breach of this Agreement and of any applicable Conditional Use Permit and Subsequent City Approvals, which shall entitle City to all remedies available under law, including, but not limited to, specific performance and damages. Failure to indemnify shall constitute grounds upon which City may rescind its approval of any applicable Conditional Use Permit. Developer's failure to indemnify City shall be a waiver by Developer of any right to proceed with the Project, or any portion thereof, and a waiver of Developer's right to file a claim, action or proceeding against City or City's Agents based on City's rescission or revocation of any Conditional Use Permit, Subsequent City Approvals, or City's failure to defend any claim, action, or proceeding based on Developer's failure to indemnify City.

Section 6.5. Waiver of Damages. Notwithstanding anything in this Agreement to the contrary, the Parties acknowledge that City would not have entered into this Agreement had it been exposed to liability for damages from Developer and, therefore, Developer hereby waives all claims for damages against City for breach of this Agreement. Developer further acknowledges that under the Development Agreement Statute, land use approvals (including development agreements) must be approved by the City Council and that, under law, the City Council's discretion to vote in any particular way may not be constrained by contract. Developer therefore waives all claims for damages against City in the event that this Agreement or any Project approval is: (1) not approved by the City Council or (2) is approved by the City Council, but with new changes, amendments,

conditions, or deletions to which Developer is opposed. Developer further acknowledges that, as an instrument which must be approved by ordinance, a development agreement is subject to referendum; and that, under law, the City Council's discretion to avoid a referendum by rescinding its approval of the underlying ordinance may not be constrained by contract, and Developer waives all claims for damages against City in this regard.

ARTICLE 7 MORTGAGEE PROTECTION

This Agreement, once executed and recorded, shall be superior and senior to any lien placed upon the Site or any portion thereof following recording of this Agreement, including the lien of any deed of trust or mortgage ("Mortgage"). Notwithstanding the foregoing, no breach hereof shall defeat, render invalid, diminish, or impair the lien of any Mortgage made in good faith and for value. This Agreement shall immediately be deemed in default and immediately terminate upon the foreclosure or transfer of any interest in the Site or Project, whether by operation of law or any other method of interest change or transfer, unless the City Administrator has authorized such change or transfer in advance, in writing.

ARTICLE 8 DEFAULT

Section 8.1. General Provisions.

(a) Subject only to any extensions of time by mutual consent in writing, or as otherwise provided herein, the failure or delay by any Party to perform in accordance with the terms and provisions of this Agreement shall constitute a default. Any Party alleging a default or breach of this Agreement ("Charging Party") shall give the other Party ("Charged Party") not less than ten (10) calendar days written notice, which shall specify the nature of the alleged default and the manner in which the default may be cured. During any such ten (10) calendar day period, the Charged Party shall not be considered in default for purposes of termination of this Agreement or institution of legal proceedings for the breach of this Agreement.

(b) After expiration of the ten (10) calendar day period, if such default has not been cured or is not in the process of being diligently cured in the manner set forth in the notice, or if the breach cannot reasonably be cured within ten (10) calendar days, the Charging Party may, at its option, institute legal proceedings pursuant to this Agreement or give notice of its intent to terminate this Agreement pursuant to Government Code section 65868. In the event City is the Charging Party, City may, in its sole discretion, give notice, as required by law, to the Charged Party of its intent to revoke or rescind any operable Conditional Use Permit related to or concerning the Project.

(c) Prior to the Charging Party giving notice to the Charged Party of its intent to terminate, or prior to instituting legal proceedings, the matter shall be scheduled for consideration and review by City in the manner set forth in Government Code sections 65865, 65867, and 65868 or the comparable provisions of the City Development

Agreement Ordinance within thirty (30) calendar days from the expiration of the ten (10) day notice period.

(d) Following consideration of the evidence presented and said review before City, and after providing the Charged Party an additional five (5) calendar day period to cure, the Charging Party may institute legal proceedings against the Charged Party or may give written notice of termination of this Agreement to the Charged Party.

(e) Evidence of default may arise in the course of a regularly scheduled periodic review of this Agreement pursuant to Government Code section 65865.1, as set forth in Section 8.2. If any Party determines that another Party is in default following the completion of the normally scheduled periodic review, without reference to the procedures specified in Section 8.1(c), said Party may give written notice of termination of this Agreement, specifying in the notice the alleged nature of the default and potential actions to cure said default where appropriate. If the alleged default is not cured in ten (10) calendar days or within such longer period specified in the notice or the defaulting Party is not diligently pursuing a cure or if the breach cannot reasonably be cured within the period or the defaulting party waives its right to cure such alleged default, this Agreement may be terminated by the non-defaulting Party by giving written notice.

(f) In the event Developer is in default under the terms and conditions of this Agreement, no permit application shall be accepted by City nor will any permit be issued to Developer until the default is cured, or the Agreement is terminated.

Section 8.2. Annual Review. City shall, at least every twelve (12) months during the Term of this Agreement, review the extent of good faith, substantial compliance of Developer and City with the terms of this Agreement. Such periodic review by City shall be limited in scope to compliance with the terms of this Agreement pursuant to California Government Code section 65865.1. City shall deposit in the mail or fax to Developer a copy of all staff reports and, to the extent practical, related exhibits concerning this Agreement or the Project's performance, at least seven (7) calendar days prior to such periodic review. Developer shall be entitled to appeal a determination of City or City Administrator to the City Council. Any appeal must be filed within ten (10) calendar days of the decision of City or the City Administrator, respectively. Developer shall be permitted an opportunity to be heard orally or in writing regarding its performance under this Agreement before City, the City Administrator, or City Council, as applicable.

Section 8.3. Estoppel Certificates.

(a) City shall, with at least twenty (20) calendar days prior written notice, execute, acknowledge, and deliver to Developer, Developer' lender, potential investors, or assignees an Estoppel Certificate in writing which certifies that this Agreement is in full force and effect, that there are no breaches or defaults under the Agreement, and that the Agreement has not been modified or terminated and is enforceable in accordance with its terms and conditions.

(b) At Developer's option, City's failure to deliver such Estoppel Certificate within the stated time period shall be conclusive evidence that the Agreement is in full force and effect, that there are no uncured breaches or defaults in Developer's performance of the Agreement or violation of any City ordinances, regulations, and policies regulating the use and development of the Site or the Project subject to this Agreement.

Section 8.4. Default by City. In the event City does not accept, review, approve, or issue any permits or approvals in a timely fashion, as defined by this Agreement, or if City otherwise defaults under the terms of this Agreement, City agrees that Developer shall not be obligated to proceed with or complete the Project, and shall constitute grounds for termination or cancellation of this Agreement by Developer.

Section 8.5. Cumulative Remedies of Parties. In addition to any other rights or remedies, City or Developer may institute legal or equitable proceedings to cure, correct, or remedy any default, enforce any covenant, or enjoin any threatened or attempted violation of the provisions of this Agreement, so long as any such action conforms to section 9.1(c) of this Agreement.

Section 8.6. Enforced Delay, Extension of Times of Performance. Delays in performance, by either Party, shall not be deemed a default if such delays or defaults are due to war, insurrection, strikes, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, governmental restrictions imposed where mandated by governmental entities other than City, enactment of conflicting state or federal laws or regulations, new or supplementary environmental regulations enacted by the state or federal government, litigation, or other force majeure events. An extension of time for such cause shall be in effect for the period of forced delay or longer, as may be mutually agreed upon.

Section 8.7. Appeals. Developer may appeal any adverse decision or action of City pursuant to the Sonora Municipal Code, as may be amended from time to time.

ARTICLE 9 TERMINATION

Section 9.1. Termination Upon Completion of Development. This Agreement shall terminate upon the expiration of the Term unless it is terminated earlier pursuant to the terms of this Agreement. Upon termination of this Agreement, City shall record a notice of such termination in substantial conformance with the "Notice of Termination" attached hereto as **Exhibit F**, and this Agreement shall be of no further force or effect except as otherwise set forth in this Agreement.

Section 9.2. Effect of Termination on Developer' Obligations. Termination of this Agreement shall eliminate any further obligation of Developer to comply with this Agreement, or some portion thereof, if such termination relates to only part of the Site or Project. Termination of this Agreement, in whole or in part, shall not, however, eliminate the rights of Developer to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

Section 9.3. Effect of Termination on City's Obligations. Termination of this Agreement shall eliminate any further obligation of City to comply with this Agreement, or some portion thereof. Termination of this Agreement shall not, however, eliminate the rights of City to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

Section 9.4. Survival After Termination. The rights and obligations of the Parties set forth in this Section 9.4, Section 2.9, Section 6.3, Section 10.3, Section 10.4, Section 10.5, Section 10.7, and any right or obligation of the Parties in this Agreement which, by its express terms or nature and context is intended to survive termination of this Agreement, will survive any such termination.

ARTICLE 10 OTHER GENERAL PROVISIONS

Section 10.1. Assignment and Assumption. Developer shall not have the right to sell, assign, or transfer all or any part of its rights, title, and interests in all or a portion of Site, or Project, subject to or a part of this Agreement, to any person, firm, corporation, or entity during the Term of this Agreement without the advance written consent of the City Administrator. This assignment prohibition applies to the corporate and business entities of Developer that are a Party to this Agreement. Any assignment or transfer prohibited by this Agreement will be considered an immediate breach of this Agreement and City may elect to immediately terminate this Agreement. If the City Administrator approves an assignment or transfer of any interest detailed in this Section 10.1, City and Developer shall execute an "Assignment and Assumption Agreement" in the form attached hereto as **Exhibit G**.

Section 10.2. Covenants Running with the Land. All of the provisions contained in this Agreement shall be binding upon the Parties and their respective heirs, successors and assigns, representatives, lessees, and all other persons acquiring all or a portion of interest in the Site or Project, whether by operation of law or in any manner whatsoever. All of the provisions contained in this Agreement shall be enforceable as equitable servitudes and shall constitute covenants running with the land pursuant to California law, including California Civil Code Section 1468. Each covenant herein to act or refrain from acting is for the benefit of or a burden upon the Project, as appropriate, runs with the Site, and is binding upon Developer.

Section 10.3. Notices. Any notice or communication required hereunder between City and Developer must be in writing, and may be given either personally, by facsimile (with

Section 10.5. Invalidity of Agreement / Severability. If this Agreement in its entirety is determined by a court to be invalid or unenforceable, this Agreement shall automatically terminate as of the date of final entry of judgment. If any term or provision of this Agreement shall be determined by a court to be invalid and unenforceable, or if any term or provision of this Agreement is rendered invalid or unenforceable according to the terms of any federal or state statute, any provisions that are not invalid or unenforceable shall continue in full force and effect and shall be construed to give effect to the intent of this Agreement. The Parties expressly agree that each Party is strictly prohibited from failing to perform any and all obligations under this Agreement on the basis that this Agreement is invalid, unenforceable, or illegal. By entering into this Agreement, each Party disclaims any right to tender an affirmative defense in any arbitration or court of competent jurisdiction, that performance under this Agreement is not required because the Agreement is invalid, unenforceable, or illegal.

Section 10.6. Cumulative Remedies. In addition to any other rights or remedies, City and Developer may institute legal or equitable proceedings to cure, correct, or remedy any default, to specifically enforce any covenant or agreement herein, or to enjoin any threatened or attempted violation of the provisions of this Agreement. The prevailing party in any such action shall be entitled to reasonable attorneys' fees and costs. Notwithstanding the foregoing or any other provision of this Agreement, in the event of City default under this Agreement, Developer agree that Developer may not seek, and shall forever waive any right to, monetary damages against City, but excluding therefrom the right to recover any fees or charges paid by Developer in excess of those permitted hereunder.

Section 10.7. Third Party Legal Challenge. In the event any legal action or special proceeding is commenced by any person or entity challenging this Agreement or any associated entitlement, permit, or approval granted by City to Developer for the Project (collectively, "Project Litigation"), the Parties agree to cooperate with each other as set forth herein. City may elect to tender the defense of any lawsuit filed and related in whole or in part to Project Litigation with legal counsel selected by City. Developer will indemnify, hold City harmless from, and defend City from all costs and expenses incurred in the defense of such lawsuit, including, but not limited to, damages, attorneys' fees, and expenses of litigation awarded to the prevailing party or parties in such litigation. Developer shall pay all litigation fees to City, within thirty (30) days of receiving a written request and accounting of such fees and expenses, from City. Notwithstanding the aforementioned, City may request, and Developer will provide to City within seven (7) days of any such request, a deposit to cover City's reasonably anticipated Project Litigation fees and costs.

Section 10.8. Constructive Notice and Acceptance. Every person who after the Effective Date and recording of this Agreement owns or acquires any right, title, or interest to any portion of the Site is and shall be conclusively deemed to have consented and agreed to every provision contained herein, whether or not any reference to this Agreement is contained in the instrument by which such person acquired an interest in

the Site, and all rights and interests of such person in the Site shall be subject to the terms, requirements, and provisions of this Agreement.

Section 10.9. Statute of Limitations and Laches. City and Developer agree that each Party will undergo a change in position in detrimental reliance upon this Agreement from the time of its execution and subsequently. The Parties agree that section 65009, subdivision (c)(1)(D), of the California Government Code, which provides for a ninety (90) day statute of limitations to challenge the adoption of this Agreement, is applicable to this Agreement. In addition, any person who may challenge the validity of this Agreement is hereby put on notice that, should the legality or validity of this Agreement be challenged by any third party in litigation, which is filed and served more than ninety (90) days after the execution of this Agreement, City and Developer shall each assert the affirmative defense of laches with respect to such challenge, in addition to all other available defenses. This Section in no way limits the right of a Party, claiming that the other Party breached the terms of this Agreement, to bring a claim against the other Party within the four (4) year statute of limitations set forth in Section 337 of the California Civil Code.

Section 10.10. Change in State Regulations. In no event shall Developer operate the Project in violation of the Agreement, or State Cannabis Manufacturing Regulations, as many be amended from time to time.

Section 10.11. Standard Terms and Conditions.

(b) **Waiver.** A waiver by any Party of any breach of any term, covenant, or condition herein contained or a waiver of any right or remedy of such Party available hereunder, at law or in equity, shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition herein contained or of any continued or subsequent right to the same right or remedy. No Party shall be deemed to have made any such waiver unless it is in writing and signed by the Party so waiving.

(c) **Completeness of Instrument.** This Agreement, together with its specific references, attachments, and Exhibits, constitutes all of the agreements, understandings, representations, conditions, warranties, and covenants made by and between the Parties hereto. (l) Authority. All Parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement and the names, titles, and capacities herein stated on behalf of any entities, persons, states, or firms represented or purported to be represented by such entities, persons, states, or firms and that all former requirements necessary or required by state or federal law in order to enter into this Agreement had been fully complied with. Further, by entering into this Agreement, no Party hereto shall have breached the terms or conditions of any other contract or agreement to which such Party is obligated, which such breach would have a material effect hereon.

(m) Document Preparation. This Agreement will not be construed against the Party preparing it, but will be construed as if prepared by all Parties.

(n) Advice of Legal Counsel. Each Party acknowledges that it has reviewed this Agreement with its own legal counsel and, based upon the advice of that counsel, freely entered into this Agreement.

(o) Attorney's Fees and Costs.
