

AGENDA ITEM SUMMARY FORM

MEETING DATE: February 3, 2026

ITEM TITLE: Public Hearing-ZTA-25-06

ITEM SUMMARY:

The Applicant is proposing to amend Town Code Section 36-97 to increase the Town's current height limit for fences for community recreational facilities. Town Code Section 36-57 defines "community recreational facilities" as recreational facilities owned and operated by not-for-profit entities which are constructed for, open to, and available for use by members, property owners, and their guests. The SSCA currently owns and operates nine community recreational facilities. If adopted, the proposed amendments would establish a new maximum height of ten feet for fences for community recreational facilities, instead of six feet. In addition, the proposed amendments would establish that any fence exceeding six feet in height used for a community recreational facility shall be constructed utilizing chain-link fabrication from the ground to the top of the fence.

STAFF RECOMMENDATION:

Town Staff has determined that the proposed amendments are consistent with the Town's currently adopted Comprehensive Land Use Plan and Town Staff recommends approval of the application. The Town Planning Board unanimously (3-0) recommended approval of the application at the January 21, 2026 Planning Board meeting.

REQUESTED ACTION:

Motion to adopt ZTA-25-06.
