Mr. Zacharias,

I will be happy to pass your email correspondence on to the officer involved. I am very happy to hear that the officer was able to provide some level of comfort for your brother and his expired registration concerns. The State of Minnesota continues to work to correct the issues they are having with their system and in turn the public is experiencing these prolonged delays.

Sincerely,

Douglas M. Ebeltoft  
Director of Public Safety/Police Chief  
Spring Lake Park Police Department

Hello,

My brother Tim is a resident of Presbyterian Homes on Highway 10. He suffers from anxiety and has been extremely nervous that his license tabs are expired. He applied by mail a couple months ago and the DMV is still processing his order.

I was with him over the weekend and he told me that a SLP officer regularly stops in to his complex and chats with people. He talked with the officer about this issue and the officer put him at ease letting him know that it will be okay and that many people are in this same predicament. This simple gesture made a big difference for Tim, who is now able to cross this item off of his worry list.

Please extend my gratitude to this officer. His regular visits here are much appreciated!

Mr. Montgomery,

Thank you very much for the kind words and your support. The Spring Lake Park Police Department is very proud of our city and its residents. We are currently living in changing/troubling times and receiving positive affirmations from the public we serve is greatly appreciated. The police department vigilantly pursues maintaining a safe community for our residents and those visiting our community.

I would personally like to say "Thank You", to you for your support. Although the police department will address whatever is presented to us in the public, it is very gratifying to hear from residents, such as yourself, that we are meeting the expectations of our community.

Sincerely,

Douglas M. Ebeltoft

Police Cheif Ebeltoft,

I am, Mark Montgomery, a resident of Spring Lake Park. I've lived here for 10 years. I just wanted to say thank you to you and your department. You have some fine officers that I am proud to have watching over this city. You are all the true heroes. I'm sure with everything that has happened in the past few months crime has been on the rise. I hope that you all stay safe out there. If there is any way that I can show my support for my local police department let me know. I hope you all stay safe and have a wonderful day.

Thank you again,  
Stay safe,
