Anne,

Thank you for your kind words, we are very proud of our community! The police department will continue to work vigilantly to maintain the quality of life that you, as our residents have become accustomed to and expect. It is always very much appreciated to hear positive comments from our public about our police department! With the changing times that we are currently living in, the negative aspect of life has a tendency of overwhelming communities and masking the good of what departments can do!

I will convey your appreciation to the officers of the police department and also to our elected officials.

Sincerely,

Douglas M. Ebeltoft
Director of Public Safety/Police Chief
Spring Lake Park Police Department

Dear Chief Ebeltoft,

I would like to take a moment to thank you and your officers for all you do for our neighborhood! It was a very stressful couple of weeks with the incident on Jackson St, and your officers were there answering our calls, and questions and really truly providing us with a sense of peace. I would not want to live in another city! Your officers have always been helpful, friendly and easy to communicate with, and it should not go unnoticed! I've been a proud resident of Spring Lake Park for 14 years and you all help make that possible!

Thank you again,

Anne Bordwell
