Orders, checks and drafts must be signed by any two of the officers. Other legal instruments shall be executed with authority of the Commission, by the Chair and treasurer. Contracts shall be let and purchases made in accordance with the procedures established by law for Minnesota Statutory Cities.

Section 3. The financial contributions of the Members in support of the Commission shall be of two types: (1) each Member shall be responsible for its share of the debt service payments on the Commission's Bonds (but only from the Member's franchise fees and/or PEG fees), which share shall be in the same proportion as the Member's franchise fees for the immediately preceding calendar year were to the total franchise fees receivable by the Commission for that calendar year (the "Debt Service Share"); and (2) each member shall be responsible for its share of the operating and capital costs of the Commission (not including any part of the debt service on the Commission's Bonds), which share shall be in direct proportion to the percent of annual subscriber revenues of each Member to the total annual revenues of the system multiplied by the Commission's annual budget (the "Operating Cost Share"). The annual budget shall establish the contribution of each Member for its Operating Cost Share for the ensuing year. Each Member shall cause its franchise fees to be paid directly to the Commission, and the Commission shall deduct from each Member's quarterly payment of franchise fees, before application to any other purpose, one-fourth of the Member's Debt Service Share for that calendar year. If any Member's quarterly payment of franchise fees is not sufficient to pay its quarterly Debt Service Share, the deficiency will continue to be an obligation of the Member and will be deducted from the next payment or payments of the Member's franchise fees until the deficiency has been restored. After provision is made for payment of the Debt Service Share, the remaining franchise fees shall be applied as a credit against each Member's Operating Cost Share owed the Commission, with any excess being remitted to the Member by the Commission and any shortfall being payable to the Commission by the Member. The remainder of any franchise fee remitted back to the Member by the Commission shall be used for citizen communications-related expenses. Each Member

acknowledges that its Debt Service Share of the franchise fee collections will be irrevocably pledged by the Commission as security for the Commission's Bonds.

Section 4. All PEG (public, educational, and government) programming fees collected by the Grantee and redistributed to the Commission shall be used by the Commission to fund the cable related expenses of the Commission and its Member Cities.

Section 5. A proposed budget for the operation of the Commission for each calendar year shall be formulated by the Executive Director under the direction of the Operations Committee and submitted to the Commission on or before July 1 of each year. The Commission shall submit the proposed budget to the Members on or before August 1 of each year. Such budget shall be deemed approved by a Member unless, prior to October 15 preceding the effective date of the proposed budget, the Member gives notice in writing to the Commission that it is withdrawing from the Commission, subject to Article XII, Section 2 of this agreement. Final action adopting a budget for the ensuing calendar year shall be taken by the Commission on or before November 1 of each year.

Section 6. Any Member may inspect and copy the Commission books and records at any and all reasonable times. All books and records shall be kept in accordance with normal and accepted accounting procedures and principles used by Minnesota Statutory Cities.

XII. DURATION

Section 1. The Commission shall continue for an indefinite term unless the number of Members becomes less than five, and the Commission may also be terminated by mutual agreement of all of the Members at any time; provided that the Commission shall continue to exist as long as any Bonds described in Article VIII, Section 13 of this agreement remain outstanding.

Section 2. In order to prevent obligation for its Operating Cost Share for the ensuing calendar year, a Member must withdraw from the Commission by filing a written notice with the Secretary by October 15 of any year giving notice of withdrawal effective at the end of the calendar year; and membership shall continue until the effective date of the withdrawal. A notice of withdrawal may be rescinded by a Member at any time prior to the effective date of withdrawal. If a Member withdraws before the dissolution of the Commission, the Member shall have no claim against the assets of the Commission, including the right to receive an allocation of franchise fees, except as provided herein. A Member withdrawing after October 15 shall be obligated to pay its entire Operating Cost Share (including any shortfalls) for the ensuing year as outlined in the budget of the Commission for the ensuing year. A withdrawn Member will continue to be responsible for its Debt Service Share (payable only from the withdrawn Member's franchise fees and/or PEG fees) notwithstanding its withdrawal from the Commission, and shall continue to have its franchise fees and PEG fees paid directly to the Commission until all Bonds have been paid. Any excess of the withdrawn Member's franchise fees over the withdrawn Member's Debt Service Share (and any required Operating Cost Share, if the Member gave notice of withdrawal after October 15 of the preceding calendar year) shall be remitted by the Commission to the withdrawn Member. A Member that has

withdrawn from the Commission may, if no Bonds are outstanding, upon request, recover an amount of any equity that exists, as of the withdrawal date, in real property and buildings purchased or constructed with any Bonds, up to (but not exceeding) the Member's individual percentage of total franchise fees paid to all the Members (or their designee) and the withdrawn Member for the calendar year preceding withdrawal. The Commission may, if no Bonds are outstanding, at any time after the withdrawal of a Member as provided for herein, initiate a buy-out of the proportionate equity interest of the withdrawn Member, which interest is to be the withdrawn Member's individual percentage of total franchise fees paid to the Members (or their designee) and the withdrawn Member for the calendar year preceding the buy-out, pursuant to terms and conditions agreed upon by the parties. The amount of any equity distributed to a withdrawn Member will be paid, without interest, on a payment schedule established by the Commission, provided, however, the term of such payment schedule shall not exceed five (5) years. When calculating an equity repayment schedule, the Commission may deduct the withdrawn Member's proportionate share of outstanding indebtedness from the amount of any equity due to the withdrawn Member. Notwithstanding anything to the contrary, a withdrawing Member shall have no claim to the franchise fee or PEG fee the Grantee collected on its behalf for the year in which its withdrawal is effective, except for the reimbursement of cable-related expenses for that year. If no Bonds are outstanding, for the calendar year following withdrawal, and for all subsequent years, the entire franchise fee calculated upon gross revenues attributable to the system within the withdrawn Member shall be paid by Grantee to the withdrawn Member in accordance with the Franchise.

Section 3. In the event of dissolution, the Commission shall determine the measures necessary to affect the dissolution and shall provide for the taking of such measures as promptly as circumstances permit, subject to the provisions of this agreement. Upon dissolution of the Commission all remaining assets of the Commission, after payment of obligations, shall be distributed among the then existing Members in proportion to the most recent Member by Member breakdown of the franchise fee as reported by the Grantee. The Commission shall continue to exist after dissolution for such period, no longer than six months, as is necessary to wind up its affairs but for no other purpose.
