

Police Report

Submitted for Council Meeting: May 19, 2025

The Spring Lake Park Police Department responded six-hundred and ninety-nine calls for service for the month of April 2025. This is compared to responding to eight hundred twenty-five calls for service in April of 2024.

School Resource Officer Imig reports handling sixteen calls for service at our local schools, along with conducting six student contacts, twenty-three escorts, and four follow-up investigations into school-related issues. Please see Officer Imig attached report for further details.

Investigator Bennek reports handling twenty-eight cases for the month of April 2025. Twenty-seven felony cases and one misdemeanor case. Investigator Bennek also reports monitoring five active forfeiture cases and closed one forfeiture case. Investigator Bennek reported working a retail crimes and auto theft detail with other Anoka County Detectives in and around the Northtown area. He has also been working with the MN BCA on a large cryptocurrency fraud case. For further details see Investigator Bennek's attached report.

The Spring Lake Park Police Department Administrative Office Staff continues to do an outstanding job running the day to day front office operations of the Police Department. It was administrative professionals' day on April 23rd and myself, Lisa Murphy and Kim Kiley attended the luncheon put on by Administrator Buchholtz. I want to thank both Lisa and Kim for the work that they do for our police department.

The month of April 2025 was a busy month for myself as well. Besides the day to day operations of the police department, I attended several meetings and trainings including:

- Spring Lake Park High School Career Fair,
- Anoka County Governance Committee meeting
- Anoka County Joint Law Enforcement Council (Hosted at SLP)
- BCA Administrative Compliance Audit
- Several CIT IT meetings related to CJIS Security
- Onboarding new officer Jacob Stauffenecker
- Fridley PD Awards banquet
- Anoka County Chiefs meeting
- Intrepid platform onboarding and training
- MN Chiefs of Police ETI Training (April 7th to April 10th)
- Bi-Weekly city hall expansion progress meetings

I do want to thank the city council for allowing myself, Sgt. Kramer and Sgt. Fiske to attend the MN Chiefs of Police Executive Training Institute's annual training conference in St. Cloud. This conference provides us with an excellent opportunity for up to date training and networking with other police department leaders in Minnesota. I know that it is an added expense, but good training is vital to the continued successes we have had at the Spring Lake Park Police Department. Thank you again.

I want to remind the council and members of the public of the traffic flow change for this years Tower Day's Celebration. Friday the 6th and Saturday the 7th we will start one-way traffic flow in the are of McKinley St, 79th and Pleasant View Dr. The traffic will flow one way southbound on McKinley, eastbound on 79th and northbound on Pleasant View Dr. We have advertised this traffic flow on social media platforms as well as handed out letters and instructions to the surrounding neighborhood. We have received nothing, but positive comments from those we have contacted. We will have one more reminder letter handed out the last week in May. If there are any questions please contact the Police Department and Park and Rec.

This will conclude my report for the month of April 2025.

Tony Bennek
