Submitted for Council Meeting: September 21, 2026

The Spring Lake Park Police Department responded to seven-hundred and seventy-one calls for service for the month of August 2026. This is compared to responding to eight-hundred and eleven calls for service in August 2025. The police department would like to remind residents that school is back in session. We will be having school buses driving on our streets, along with students driving and walking to and from school. The police department would like to remind everyone to allow extra time for traveling to and from your destinations to help prevent any unfortunate incidents happening and to help keep our roadways and those utilizing them safe! On behalf of the police department, I would like to thank everyone in advance for your attention with this matter. Working together, we can help each other keep everyone safe. For further information on bus safety please see the **Minnesota Department of Public Safety website and navigate to the Commercial Vehicle section for School Bus Safety.**

The Spring Lake Park Police Department participated in “Night to Unite” again this year on August 4th, 2026. It was great for all of us to get out and connect with the individual neighborhoods again this year. We attended 13 parties throughout the city. We look forward to next year’s events on August 3rd, 2026.
