Adventuring in La Crosse!

SLP Recreation –
We've Got It All!
From exciting day trips and
extended tours to hands-on
classes and community fun,
we're going places—and
taking you with us!

Silver Spotlight- Meet Our Participants!

We have resided in Spring Lake Park since 1991, having previously grown up in Blaine and Coon Rapids. Gary is a graduate of Spring Lake Park High School, Linda graduated from Coon Rapids High School, and our daughter also graduated from Spring Lake Park High School. We retired in 2021.

Linda & Gary W

After spending four decades visiting Duluth and the North Shore, we wanted to travel around Lake Superior upon retirement. We were excited to learn that Spring Lake Park Parks and Recreation organizes bus tours, and we were fortunate to participate in a tour around Lake Superior arranged by Spring Lake Park Recreation in 2024.

The journey exceeded our expectations. Traveling with approximately forty community members provided an enjoyable experience, and all logistical arrangements, including accommodation, meals, and activities, were excellent. The itinerary included excursions we might not have planned independently, such as visits to waterfalls, an amethyst mine, and boat tours.

Our positive experience led us to join the trip around Lake Michigan in 2025, which was equally satisfying. The itinerary featured many sightseeing opportunities, including a day on Mackinac Island, a ferry ride across Lake Michigan, as well as trolley and boat excursions in Door County.

We continue to participate in classes at Spring Lake Park. Linda attends the monthly book club, and Gary attended a class about dogsledding in Alaska. We extend our sincere gratitude to Anne and Clare for their attention to detail and thoughtful planning of these excursions. We highly recommend their tours. - Linda & Gary Wax

KANSAS CITY SPARKLED—AND SO DID WE!

Join us next year for more holiday magic and unforgettable adventures!

Spring Lake Park Travel Tours: Kansas City Holiday Highlights
Five days. Countless memories. One unforgettable holiday adventure.

What a trip! From snowy roads to sparkling lights, our five-day holiday adventure was packed with laughter, history, and festive cheer. We savored broasted chicken and classic Maid-Rites on the way, then dove into Kansas City's treasures—from the Truman Library and Arabia Steamboat Museum to jazz at 18th & Vine.

Holiday magic was everywhere: Powell Gardens glowed with acres of lights and cocoa by the fire, Union Station shimmered with seasonal displays, and a dazzling tree lighting warmed our hearts. Add in a Kansas City Tour, Hallmark's holiday charm, and a legendary slice of Minsky's Pizza, and you've got memories to last a lifetime.

We wrapped it all up with sweet treats from Russell Stover before heading home—bags full, hearts fuller. Until next time, Kansas City!
