The application fee includes administrative costs which are necessary to process the application. The escrow fee will include all charges for staff time by the City Planner, City Engineer, City Attorney, and/or any other consultants as needed to process the application.

Minnesota Statute § 471.462 requires all cities to provide, upon request, a nonbinding estimate of consulting fees in connection with applications for permits, licenses, or other approvals relating to real estate development or construction. If the applicant requests the estimate, the application shall not be deemed complete until the City has (1) provided an estimate to the applicant; (2) received the required application fees, as specified by the City; (3) received a signed acceptance of the fee estimate from the applicant; and (4) received a signed statement that the applicant has not relied on the estimate of fees in its decision to proceed with the final application from the applicant.

Remittance of these additional fees will be due within thirty (30) days from the date the invoice is mailed. If payment is not received as required by this agreement, the City may approve a special assessment for which the property owner specifically agrees to be assessed for 100 percent per annum and waives any and all appeals under Minnesota Statutes Section 429.081 as amended. **All fees and expenses are due whether the application is approved or denied.**

I further understand that the application process will be terminated if payment is not made and application may be denied for failure to reimburse City for costs. I further understand that the City may approve a special assessment against my property for any unpaid escrows and that I specifically waive any and all appeals under Minnesota Statutes 429.081, as amended.
