REPORT

TO: Spring Lake Park City Council
FROM: Jeff Baker, Code Enforcement Director
RE: Code Enforcement Monthly Report for May 2020
DATE: May 27, 2020

In May 2020, a total of 10 building, 29 zoning, 8 mechanical, and 4 plumbing for a total of 51 permits issued compared to a total of 57 in 2019. I conducted 79 inspections in the month of May including 28 building, 4 housing, 4 fire, 4 zoning and 39 nuisance inspections.

I have received quite a few phone calls from both barbers and salons in the City. With the opening of said businesses I have been calculating their occupancy load based off of the governor's protocol. I have the same plan in place if any restaurants are/asking for outdoor seating.

With the State of Minnesota opening back up more and more every week. The Code Enforcement Department will be busier than ever. With rental inspections and routine fire inspections being at a stand still for the large majority of 2020. The rest of the year will be very fast paced and the numbers will reflect that.

In May of 2020, I did not post any abandoned property. 1 posting for a person living in a garage and issued 2 administrative offense tickets.

In May of 2020, I also attended the following appointments:

- City Council meetings on May 4th and 18th.
- Department Head meeting on May 5th.
- Met with Spring Lake Park Terrace for the installation of a new mobile home May 27th.

This concludes the Code Enforcement Department monthly report for April 2020. If anyone has any questions or concerns regarding my report, I would be happy to answer them at this time.
