

**RESOLUTION NO. 21-16**

**RESOLUTION GRANTING APPROVAL OF CONDITIONAL USE PERMIT FOR DPG INC, DBA FISH-ELECTRONICS, AT 1109 COUNTY HIGHWAY 10 NE**

**WHEREAS**, DPG Inc (the “Applicant”) has submitted an application for approval of a conditional use permit to permit the operation of a marine installation and repair business at 1109 County Highway 10 NE; and

**WHEREAS**, the legal description for the planned unit development is as follows:

Lots 5 through 7, inclusive, Block 1, Laddie Lake Addition, subject to easement of record; and

**WHEREAS**, the Planning Commission considered the Applicant’s request at a duly noticed Public Hearing which took place on March 22, 2021; and

**WHEREAS**, the Planning Commission recommended approval of the application to the City Council; and

**WHEREAS**, the City Council considered the application at its April 5, 2021 meeting and has made the following findings in support of approval of the conditional use permit application:

1. The proposed use is a reasonable use of the property, anticipated as a Conditional Use in the C-2 zoning district;
2. The use is screened from adjacent residential uses and is therefore not expected to have a detrimental effect on surrounding properties or lower property values;
3. Adjacent roadways and the existing parking lot are adequate to handle anticipated traffic and vehicles using the site;
4. No changes are proposed to site grading and drainage; therefore, stormwater management should be adequate as it presently exists;
5. There are no unusual odors, fumes, dust, noise or vibration associated with the use, and all work will be conducted indoors; and
6. No residential use is proposed on the site and therefore, incompatible growth in that regard is not an issue with this use.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Spring Lake Park that the City Council does hereby approve the application made by Cargreen LLC for a conditional use permit to permit the operation of an environmentally friendly vehicle rental business at 1103 County Highway 10 NE, subject to the following conditions:

1. The applicant shall apply for and receive all applicable building permits prior to beginning work.
2. The applicant shall conduct all marine installation and repair work inside the building, with the garage door shut.
3. The applicant shall ensure that customer cars, boats and employee cars are parked only in spots designated for use by DPG Inc

4. The applicant shall limit the number of boats parked overnight at this site to no more than ten (10).
