5. PUBLIC HEARING

B. Public Hearing – Variance Application – Minnsprouts, LLC – 7705/7707 Central Avenue NE

Chairperson Hansen opened the public hearing at 7:17 PM.

City Planner Carlson stated that the variance application is for 7705/7707 Central Avenue NE. He stated that this is a small industrial lot and is currently occupied by a small building. Planner Carlson stated that the applicant wants to build a loading dock.

Planner Carlson said the applicant is requesting an additional 10 feet from the side lot line and 10 feet from the rear lot line. He stated that the standard in the industrial district is 25 feet and 35 feet. Planner Carlson said the applicant is requesting as part of the variance the lot coverage with hardcover, impervious 75 percentage the maximum is about 85 percent. He stated that the request would put the lot coverage at 92 percent.

Planner Carlson stated that the property has some unique characteristics.

1. A small lot and any increase in the building will come closer to a lot line versus if it was a very large lot. The lot is half an acre.
2. Part of the unique circumstances is that the property is next to a leg of the L shaped lot that is to the east and north, the 1313 I was born 10 Pros. So
3. The north side of the property has a 40-foot-wide strip that is vacant land, which is wooded, and it probably will never be built on, therefor making the setback 52 feet instead of 12 feet.

Commissioner Hansen inquired about the slop of the wooded area. Planner Carlson stated that the sloping would need to be verified through the watershed and the county drainage requirements. He stated the applicant is creating a loading dock that would be low and the building floor would be above that, so there would be some manipulation and drainage involved.

Administrator Buchholtz stated that the applicant may need to do some ponding or an infiltration swale. He stated that there may need to be some form of water treatment and collection. Administrator Buchholtz stated that the outcome will be determined once the applicant makes application with Coon Creek Watershed District.

Planner Carlson stated that he has reviewed the application and is recommending approval of the application, with the following conditions:

- The applicant will meet all watershed district and county drainage requirements before issuance of a building permit.
- Care will be taken in the maneuvering of trucks in the public street. The City reserves the right to review the situation and require additional measures if there are problems with trucks movements at the site.

Chairperson Hansen closed the public hearing at 7:27 PM.

Motion made by Commissioner Cobbs, seconded by Commissioner Delfs to recommend approval of the variance for side and rear setbacks and impervious lot coverage for MinnFoods, LLC at 7705/7707 Central Avenue NE., with the following conditions:
