

NOTICE: The Blue Lake Wastewater Treatment Plant Facility Plan is now available for review and comment.

Blue Lake Wastewater Treatment Plant Improvements Project

Improvements to the Blue Lake Plant will help MCES maintain service reliability, preserve assets at the existing facility, improve efficiency and safety, protect the environment, and partner with customers.

(651) 602-1269 tim.odonnell@metc.state.mn.us

Metropolitan Council Environmental Services (MCES), operator of the metro-area wastewater collection and treatment system, is developing a Facility Plan for the Blue Lake Wastewater Treatment Plant. The purpose of this plan is to outline plant upgrades needed to serve anticipated growth in the southwest metropolitan area through 2050 and meet new water quality standards for phosphorus.
