Wanted to pass this on to everyone!
Keep up the good work!

Chief

Hello my name is Nemeah. I am a resident of the city. I would like to send out my gratitude to everyone in the Spring Lake Park Police Department for keeping us safe during these crazy times.

With all the negative talk about police officers in the media, I think it's important that the city officers know that what they do is important and valued.

Thank you again for keeping the city and its residents safe.
