The Intersection!!
how does it flow, how does it
handle the increased traffic with
both the new Restaurant at Montes and
A Car Wash. Petition
11/10/2022

Dear clerk Daniel Buchholtz and members and mayor of Spring Lake Park. My only concern , and I am sure the concern of others will be the traffic flow in that area of business. I don't think the current stop signs and through streets and service road in there present outlay will handle the increased traffic. I hope the city can address that concern , and make it a workable and accessible road system.

Sincerely,

Pete Greenheck Owner of Nelson Cheese and Deli
