ESTABLISHMENT OF ISSUE PRICE (HOLD-THE-OFFERING-PRICE RULE MAY APPLY – BIDS NOT CANCELLABLE)

The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City’s Municipal Advisor and any notice or report to be provided to the City may be provided to the City’s Municipal Advisor.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the competitive sale requirements are not satisfied, the City shall promptly so advise the winning bidder. The City may then determine to treat the initial offering price to the public as of the award date of the Bonds as the issue price of each maturity by imposing on the winning bidder the Hold-the-Offering-Price Rule as described in the following paragraph (the “Hold-the-Offering-Price Rule”). Bids will **not** be subject to cancellation in the event that the City determines to apply the Hold-the-Offering-Price Rule to the Bonds. **Bidders should prepare their bids on the assumption that the Bonds will be subject to the Hold-the-Offering-Price Rule in order to establish the issue price of the Bonds.**

By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “Initial Offering Price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the Hold-the-Offering Price Rule shall apply to any person at a price that is higher than the Initial Offering Price to the public during the period starting on the award date for the Bonds and ending on the **earlier** of the following:

- (1) the close of the fifth (5th) business day after the award date; or
- (2) the date on which the underwriters have sold at least 10% of a maturity of the Bonds to the public at a price that is no higher than the Initial Offering Price to the public (the “10% Test”), at which time only that particular maturity will no longer be subject to the Hold-the-Offering-Price Rule.

The City acknowledges that, in making the representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the Bonds, including but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule, if applicable to the Bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the Hold-the-Offering-Price Rule if applicable to the Bonds.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, (A) to comply with the Hold-the-Offering-Price Rule, if applicable if and for so long as directed by the winning bidder and as set forth in the related pricing wires, (B) to promptly notify the winning bidder of any sales of Bonds that to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and (C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public, and (ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to comply with the Hold-the-Offering-Price Rule, if applicable, in each case if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires.

Notes: Sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (1) "public" means any person other than an underwriter or a related party,*
- (2) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public).*

- (3) *a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation or another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership or another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and*
- (4) *“sale date” means the date that the Bonds are awarded by the City to the winning bidder.*

ADJUSTMENTS TO PRINCIPAL AMOUNT AFTER PROPOSALS

The City reserves the right to increase or decrease the principal amount of the Bonds. Any such increase or decrease will be made in multiples of \$5,000 and may be made in any maturity. If any maturity is adjusted, the purchase price will also be adjusted to maintain the same gross spread. Such adjustments shall be made promptly after the sale and prior to the award of Proposals by the City and shall be at the sole discretion of the City. The successful bidder may not withdraw or modify its Proposal once submitted to the City for any reason, including post-sale adjustment. Any adjustment shall be conclusive and shall be binding upon the successful bidder.

OPTIONAL REDEMPTION

Bonds maturing on and after February 1, 2033 are subject to redemption and prepayment at the option of the City on February 1, 2032 and any date thereafter, at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the maturities and principal amounts within each maturity to be redeemed shall be determined by the City and if only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar.

CUSIP NUMBERS

If the Bonds qualify for assignment of CUSIP numbers such numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery of and pay for the Bonds in accordance with terms of the purchase contract. The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the successful bidder.

DELIVERY

Delivery of the Bonds will be within thirty days after award, subject to an approving legal opinion by Kennedy & Graven, Chartered, Bond Counsel. The legal opinion will be paid by the City and delivery will be anywhere in the continental United States without cost to the successful bidder at DTC.

TYPE OF PROPOSAL

Proposals of not less than \$8,107,375 (98.75%) and accrued interest on the principal sum of \$8,210,000 must be filed with the undersigned prior to the time of sale. Proposals must be unconditional except as to legality. Proposals for the Bonds should be delivered to Northland Securities, Inc. and addressed to:

Daniel Buchholtz, City Administrator

1301 81 Ave. NE
Spring Lake Park, Minnesota 55432

A good faith deposit (the “Deposit”) in the amount of \$164,200 in the form of a federal wire transfer (payable to the order of the City) is only required from the apparent winning bidder, and must be received within two hours after the time stated for the receipt of Proposals. The apparent winning bidder will receive notification of the wire instructions from the Municipal Advisor promptly after the sale. If the Deposit is not received from the apparent winning bidder in the time allotted, the City may choose to reject their Proposal and then proceed to offer the Bonds to the next lowest bidder based on the terms of their original proposal, so long as said bidder wires funds for the Deposit amount within two hours of said offer.

The City will retain the Deposit of the successful bidder, the amount of which will be deducted at settlement and no interest will accrue to the successful bidder. In the event the successful bidder fails to comply with the accepted Proposal, said amount will be retained by the City. No Proposal can be withdrawn after the time set for receiving Proposals unless the meeting of the City scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made.

AWARD

The Bonds will be awarded on the basis of the lowest interest rate to be determined on a true interest cost (TIC) basis. The City’s computation of the interest rate of each Proposal, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Bonds will be awarded by lot. The City will reserve the right to: (i) waive non-substantive informalities of any Proposal or of matters relating to the receipt of Proposals and award of the Bonds, (ii) reject all Proposals without cause, and (iii) reject any Proposal which the City determines to have failed to comply with the terms herein.

INFORMATION FROM SUCCESSFUL BIDDER

The successful bidder will be required to provide, in a timely manner, certain information relating to the initial offering price of the Bonds necessary to compute the yield on the Bonds pursuant to the provisions of the Internal Revenue Code of 1986, as amended.

OFFICIAL STATEMENT

By awarding the Bonds to any underwriter or underwriting syndicate submitting a Proposal therefor, the City agrees that, no more than seven business days after the date of such award, it shall provide to the senior managing underwriter of the syndicate to which the Bonds are awarded, the Final Official Statement in an electronic format as prescribed by the Municipal Securities Rulemaking Board (MSRB).

LIMITED CONTINUING DISCLOSURE UNDERTAKING

The City will covenant in the resolution awarding the sale of the Bonds and in a Continuing Disclosure Undertaking to provide, or cause to be provided, annual financial information, including audited financial statements of the City, and notices of certain material events, as required by SEC Rule 15c2-12.

BANK QUALIFICATION

The City will designate the Bonds as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

BOND INSURANCE AT UNDERWRITER'S OPTION

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the successful bidder, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole option and expense of the successful bidder of the Bonds. Any increase in the costs of issuance of the Bonds resulting from such purchase of insurance shall be paid by the successful bidder, except that, if the City has requested and received a rating on the Bonds from a rating agency, the City will pay that rating fee. Any other rating agency fees shall be the responsibility of the successful bidder. Failure of the municipal bond insurer to issue the policy after the Bonds have been awarded to the successful bidder shall not constitute cause for failure or refusal by the successful bidder to accept delivery on the Bonds.

The City reserves the right to reject any and all Proposals, to waive informalities and to adjourn the sale.
