

Memorandum

To: Mayor and City Council
From: Kay Okey, Parks & Recreation Director
Date: September 2, 2020
Re: Playground Equipment - new equipment and repairs

In conducting the summer inspection of current playground equipment, the following items have been noted needing repair or replacement. Park Commission reviewed this request on 9-1-2020 and have given their approval for these necessary repairs and replacements.

Terrace Park	
Slide and Hardware, updated version	\$2,598.00
Cargo Net and Hardware, updated to stainless steel	\$1,011.00
Punch 2 Step Accessible Step Link and hardware	\$933.00

Able Park	
Tube Slide, updated version	\$1,319.00
Brakeless Space Shuttle	\$1,340.00

Sanburnol Park

The Park Commission is requesting to replace a piece of play equipment, which was removed from the park in early 2019 due to damage beyond repair, with a new Four Seat Buck-A-Bout in amount of \$2,621. I have attached a picture for your review. This type of equipment is excellent at encouraging collaborative play and patience between children.

Play Equipment Buck- a - Bout	\$2,564.00
Freight Charge	\$1,043.52

The total expense for all items:	\$10,808.52
----------------------------------	-------------

I am requesting authorization to purchase from MN Wisconsin Playground, an authorized state vendor, the items required to make the necessary repairs and to the purchase of one new piece for Sanburnol in the amount not to exceed \$10,808.52. I have attached a copy of the bid for your information.

The cost for new equipment (Buck-A-Bout) can be taken from the Park Improvement Fund #225. The cost of replacement items can be taken equally from the Sanburnol Improvement Fund #229 and the Special Projects Fund #237. These funds are not at tax payer expense.

Thank you for your consideration.

Buck-A-Bout - 4 Seat

Seats and in-ground mount must be purchased separately.

Features and Benefits:

* Seats must be purchased separately
