

Memorandum

To: Mayor Nelson and Members of the City Council

From: Daniel R. Buchholtz, MMC, Administrator, Clerk/Treasurer

Date: December 13, 2023

Subject: Edible Cannabinoid Ordinance

At the last City Council work session, the City Council asked staff to draft an amendment to the City's edible cannabinoid product ordinance to grant additional licenses. The current ordinance only allows 2 licenses/registrations. There are currently four licensees under our previous edible cannabinoid ordinance. This amendment will allow those businesses to continue to sell edible cannabinoid products.
