

# ILLUSTRATIVE VISION PLAN

The Illustrative Vision Plan highlights a visionary concept depicting the possible distribution of land uses, connectivity between neighborhoods and to arterials, and the level of amenities expected in regard to natural areas and open space, pathways and parks. The Vision Plan is illustrative in nature, and defines only one possible development option.

## Map Legend:

- RR: Rural Residential
- ER: Estate Residential
- NR: Neighborhood Residential
- CR: Compact Residential
- HDR: High-Density Residential
- RC: Riverfront Center "Main Street"
- MU: Mixed-Use
- MU/HDR: Mixed-Use and/or High-Density Residential
- C: Commercial
- P: Parks
- CIV: Civic (School, City Facility)
- OS/G: Open Space/Greenway

*Note: The Illustrative Vision Plan is conceptual in nature, and distribution of land uses, road alignments, and park and school locations may change as development occurs.*

Naturalized area with loop trails and trailheads, fishing access, and floodplain mitigation areas

Riverhouse & Park  
Riverfront Park, pedestrian bridge, and diverted waterway at edge of RC

Buffer greenway/pathway system from park to River

Existing Rural Residential Neighborhood

Internal greenway/pathway system
