

City Clerk / Treasurer - Memo

March 27, 2024

Mayor & Council –
For City Council Regular Meeting on April 2, 2024

As part of your packet is the Jacksons Food Stores Store #240 New Application for Beer & Wine License. As you are aware, a new application requires the City Council to approve the application and renewals are performed administratively.

The application is in good order, and we are awaiting the Ada County License and the Mid / Star Fire Inspection which is required annually as well as a prorated payment for the current year in the amount of \$16.68.

I recommend this application be approved by the Council with the stipulation that I issue the license once the Ada County License is issued, Fire Inspection has been completed and payment received.

Regards –

Jacob M Qualls, idCMC
