responsible bidder. Morgan stated that the city received three bid responses, and that the two lowest responsible bids were within 10% of each other. He said the apparent winning bidder Diamond Contractors is recommended this evening and that City Staff is hoping to have the project completed by July 4, 2023.

- Council Member Hershey moved to approve Item 5A accepting the Pavilion Parking Lot bid from Diamond Contractors and in combination, to also approve item 5B approving and entering into contract with Diamond Contractors with the not-to-exceed figure as shown in the Staff Report; Council Member Wheelock seconded the motion. B. Pavilion Parking Lot Contract - Approve Contract & Authorize the Mayor to Sign (ACTION ITEM)

- See motion and vote record as documented under Item 5A above.

C. Boat Ramp No-Rise Civil Service Agreement - Approve Agreement & Authorize the Mayor to execute the Civil Service Agreement with Manning Civil LLC (ACTION ITEM)

City Engineer Morgan explained the floodway and the need for the Hydraulic and Hydrology project. He summarized that with a boat ramp next to the river, this puts the City in the FEMA flood way and Star's Municipal Code does not allow any field placement within the flood way without having a no-rise, also known as an "H&H" (hydraulic and hydrology) report. The person who has done most of the work in Star has retired and has passed most of his work on to the recommended engineer. The firm of Manning Civil Service, L.L.C. comes well-recommended and felt to be reputable and one of the top ten that does this type of work in Idaho.

Council Member Salmonsens asked about the public's ability to float the river; Mayor Chadwick explained there would be other steps before the public would be available to float the river and open to the public.

- Council Member Nielsen moved to approve the Civil Service Agreement with Manning Civil Service L.L.C. in an amount not to exceed \$7,000.00; Council Member Hershey seconded the motion. ROLL CALL VOTE: Hershey – aye; Wheelock – aye; Salmonsens – aye; Nielsen – aye. Motion carried.
