To Stevenson Washington Planning Commission,

Conditional Use Permit for CUP2024-01 meeting date was May 13, 2024.

The Planning Commission did not approve the River Christian Church proposal at the open-record public hearing. And the Neighborhood also did not approve because of the public comments.

The application was not filled out correctly under the Property Information Section, "Zoning".

And Planning Commission found under development in its proposed location it did not pass.

1. Will not endanger the public health and safety;
2. Will not substantially reduce the value of adjoining or abutting property;
3. Will be in harmony with the area in which it is located; and
4. Will be in conformity with the Comprehensive Plan, transportation plan, or other plan officially adopted by the council.

The River Christian Church has proceeded with the Site Plan anyway.

I have enclosed the information from May 13, 2024 and would like to stop the project.

The Neighborhood would like to stop the project and remove Play Area, Stop the Fencing Project.
