Dear Ms. Kinley:

I am pleased to inform you that the Department of Commerce's Economic Development Administration (EDA) has approved your application for an EDA investment to the City of Stevenson.

Enclosed is a digitally signed copy of the Financial Assistance Award. Your agreement to the terms and conditions of the award should be indicated by the signature of your principal official on the signed copy of the Financial Assistance Award, via one of the following methods:

1. Using a certified signature through Adobe or some other software.
2. Printing the document, signing in ink, and returning a scanned copy by e-mail.

The fully executed document should be returned electronically to your assigned Project Officer, Brian Parker at BParker3@eda.gov, with a copy to the Interim Grants Officer, Kerstin Millius at KMillius@eda.gov. If not signed and returned within 30 days of receipt, EDA may declare the Award null and void. Please retain a copy of the executed award for your records.

The Department of Commerce Office of Inspector General requires that all recipients of awards under the FY 2018 EDA Disaster Supplemental Notice of Funding Opportunity must participate in Fraud Awareness Training. All personnel at your organization responsible for overseeing contractors, sub-contractors, sub-grantees, or who are otherwise responsible managing your organization's finances are required to take the training. This requirement is satisfied by reading and understanding the enclosed PowerPoint presentation. Once you and the appropriate personnel at your organization have completed the training, please return a signed copy of the certification page (page 38) to Brian Parker along with signed copies of the Financial Assistance Award.

Please, do not make any commitments in reliance on this award until you have carefully reviewed and accepted the terms and conditions. Any commitments entered into prior to

obtaining the approval of EDA in accordance with its regulations and requirements will be at your own risk.

EDA's mission is to lead the Federal economic development agenda by promoting innovation and competitiveness, preparing American regions for growth and success in the worldwide economy. EDA implements this mission by making strategic investments in the nation's most economically distressed regions that encourage private sector collaboration and the creation of jobs. EDA investments are results driven, embracing the principles of technological innovation, entrepreneurship and regional development.

I share your expectations regarding the impact of this investment and look forward to working with you to meet the economic development needs of your community.

Sincerely,

Kerstin Millius
Area Director in the Capacity of Interim Regional Director
