Morning, Leana.

Please see below revisions. Thank you.

Currently: Councilmember Knudsen asked if the City wanted to contribute to the July 4th fireworks show. Kinley shared the City already funds it through the Chamber. Councilmember Knudsen asked about providing additional funds.

Per timestamp 2:20:15

Requested: Councilmember Knudsen acknowledged recent and past emails from the public around fireworks and fire danger. He requested for October meeting's budget discussion whether the City wanted to contribute to the July 4th fireworks show while implementing a city-wide ban on personal fireworks. Kinley shared the City already funds it through the Chamber. Councilmember Knudsen suggested possibly providing additional funds in exchange for the ban.

Currently:

Councilmember McHale suggested those who wanted to could possibly meet outside of council. City Attorney Woodrich advised it would have to be done as a special meeting if 3 or more Councilmembers attend. Councilmember Knudsen's comment regarding the meeting being for discussion purposes only prompted City Attorney Woodrich to point to agenda item 9g as an indication the topic was City policy.

Requested:

Council had chosen not to pick up conversations due to priority/time/necessary, and to do individual research, etc. on personal time if interested. As council chose not to make this city business at this time, Councilmember McHale suggested those who wanted to could possibly meet outside of council if they wanted to have further discussion on racism.

City Attorney Woodrich advised it would have to be done as a special meeting if 3 or more Councilmembers attend. Councilmember Knudsen's comment regarding the meeting being for discussion on the topic of racism vs actual city policy led to the attorney forgetting he was not a member of the council and went beyond simply sharing his legal opinion and chose to debate the topic.
