Thank you for letting me know my water
was on without my knowledge.

I think what happened is when I went to
turn off the faucet it did not budge. I watered
my Rhodys with a soaker hose under the bark
chips from a split hose in the back yard. Finding
a plumber was not easy. Finally a sweet couple at
church said they thought they could fix it - and
they did. Now I'll know to disconnect the hose
from the "Y" to confirm the water is off.

Sincerely,

Karen Pettyjohn
