## ORDINANCE NO. 1027

### **AN ORDINANCE ADDRESSING CITY OF STEVENSON, WASHINGTON REGULATIONS AND PROCEDURES FOR UTILITY INSTALLATIONS, EXCAVATIONS, REPAIRS AND OTHER USES OF CITY RIGHTS OF WAY AND REPEALING PORTIONS OF TITLE 12 STREETS, SIDEWALKS AND PUBLIC PLACES, AND PROVIDING FOR SEVERABILITY AND AN EFFECTIVE DATE.**

**WHEREAS**, the City of Stevenson is legally vested in rights of ways, and it would benefit the City to have an ordinance setting forth the laws relating to the use of the City's rights of way to protect and preserve the public health, safety and welfare and develop processes to implement these goals.

#### **GENERAL PROVISIONS APPLICABLE TO ALL PERMITS**

During the progress of the work such barriers shall be erected and maintained as may be necessary or as may be directed for the protection of the traveling public: the barriers shall be properly lighted at night.

In accepting this permit the petitioner, his successors and assigns, agrees to protect the City of Stevenson and save it harmless from all claims, actions or damages of every kind and description which may accrue to or be suffered by any person or persons, corporation or property by reason of the performance of any such work, character of materials used or manner of installation, maintenance and operation or by the improper occupancy of rights of way or public place or public structure, and in case any suit or action is brought against said City of Stevenson for damages arising out of or by reason of any of the above causes, the petitioner, his successors or assigns will upon notice to him or them of commencement of such action, defend the same at his or their own sole cost and expense and will satisfy any judgement after the said suit or action shall have finally been determined if adverse to the City of Stevenson.

Except as herein authorized, no excavation shall be made or obstacle placed within the limits of a City street in such a manner as to interfere with the travel over said road.

If the work done under this permit interferes in any way with the drainage of the city streets, the grantee shall wholly and at his own expense make such provision as the Director may direct to take care of said drainage.

On completion of said work herein contemplated all rubbish and debris shall be immediately removed and the roadway and roadside shall be left neat and presentable and satisfactory to the Director.

All of the work herein contemplated shall be done under the supervision of and to the satisfaction of the Director and the entire expense of said supervision shall be borne by the party or parties to whom this permit is issued.

This permit or privilege shall not be deemed or held to be an exclusive one and shall not prohibit the City from granting other permits of like or other nature to other public or private utilities, nor shall it prevent the City from using any of its roads, streets, or public places, or affect its right to full supervision and control over all or any part of them, none of which is hereby surrendered.

The Director may revoke, annul, change, amend, amplify, or terminate this permit or any of the conditions herein enumerated if grantee fails to comply with any or all of its provisions, requirements or regulations as herein set forth or thru willful or unreasonable neglect, fails to heed or comply with notice given or if the utility herein granted is not installed or operated and maintained in conformity herewith or at all or for any cause or reason whatsoever.

The party or parties to whom this permit is issued shall maintain at his or their sole expense the structure or object for which this permit is granted to a condition satisfactory to the City's Director.

In accepting this permit the grantee, his successors and assigns, agree that any damage or injury done to the property of the grantee or any expense incurred by him through the operation of a contractor, working for the City or of any City employee shall be the sole expense of the grantee, his successors or assigns.
