

West SR-14 Improvements-Low Phase

Description:

Convert to 3-lane cross-section on SR-14 (Second Street) between First Street and SW Rock Creek Drive. This project is expected to be a combination of roadway widening and restriping. Adding the center lane would provide the opportunity to include a median island refuge at the crosswalk east of SW Rock Creek Drive.

TIP Year: 2027-8(all) **Project Type:** Improvement **Project Cost:** \$390k **Funding:** 95% Grant

Average Priority Score from Workshop: 3 (mid)

Workshop Comment Summary:

- Do need some help with this intersection
- ?

Additional Comments Received:

“Concerning the intersection on West End.

I drive that every day, turning from Rock Creek Dr onto SR-14 going East.

Rarely do I have a car in front of me and never is it an issue turning cross traffic and heading east.

So I wonder, why are we proposing a major road construction effort to build a round about?

Does a road engineer think is a fun thing to do?

Do have Taxpayer money we don't know what to do with?

Because it “might” be a problem 20 years from now?

I'm all for improving this wonderful city but let us put or funds towards projects that would make Stevenson a better place, not projects that are disruptive and solve a problem we don't have. We can always improve the intersection if and when it becomes a bottle neck.”
