

School St. Grind and Inlay

Description:

This project will grind and inlay School Street from the intersection with Hot Springs Alameda north to Kanaka Creek Road.

Water infrastructure improvements to remove a section of AC pipe and address an area of multiple water leaks will be completed prior to this project (2023 planned water infrastructure project).

Additional waterline improvements along lower School Street are planned and that section of street, outside of the safe routes to school project, will be addressed later.
