

**CITY OF STEVENSON, WASHINGTON**

**ORDINANCE NO. 2020-1168**

**AN ORDINANCE ESTABLISHING CHARGES FOR THE USE OF THE SEWER SYSTEM  
FURNISHED BY THE CITY OF STEVENSON**

**AND REPEALING ORDINANCE NO. 2019-1154**

**WHEREAS**, it is necessary to revise the user charge system in the City of Stevenson to provide funds sufficient to meet all expenses associated with the City's wastewater treatment system; and

**WHEREAS**, the City must pay all expenses associated with said treatment works/collection system and charge users of said system accordingly; and

**WHEREAS**, the City of Stevenson Wastewater Treatment Plant is in need of major construction to meet new Department of Ecology standards and increased loading on the plant; and

**WHEREAS**, the Department of Ecology has identified several capital facilities improvements that will need to be completed in the next five years and the City will need to accrue sufficient funds to address these improvements; and

**WHEREAS**, the City conducted a rate study in the fall of 2020 to evaluate recent operational changes, asset needs and secured funding packages on the future rate needs; and

**WHEREAS**, the City held a Public Hearing on November 19<sup>th</sup>, 2020 regarding these rate changes.

**NOW, THEREFORE**, the city council of the city of Stevenson do ordain as follows:

**SECTION I**

It is determined and declared to be necessary and conducive to the protection of the public health, safety, welfare, and convenience of the City to collect charges from all users who contribute wastewater to the City's treatment works. The proceeds of such charges so derived will be used for the purpose of operating, maintaining, and retiring the debt for such public wastewater treatment works.

**SECTION II**

Unless the context specifically indicates otherwise, the meaning of terms used in this ordinance shall be as follows:

**BOD**: (denoting Biochemical Oxygen Demand) shall mean the quantity of oxygen utilized in the biochemical oxidation of organic matter under standard laboratory procedure in five (5) days at 20°C, expressed in milligrams per liter (mg/l).

**“Residential”** shall mean any contributor to the City's treatment works whose real estate or building is used for domestic dwelling purposes only.

**“SS”** (denoting suspended solids) shall mean the solids that either float on the surface of or are in suspension in water, sewage, or other liquids and which are removable by laboratory filtering.

**SECTION III**

1. The user charge system shall generate adequate annual revenues to pay the costs of annual operation and maintenance including replacement and cost associated with debt retirement of bonded capital associated with financing the treatment works which the City may by ordinance designate to be paid by the user charge system.
2. The total user charge collected shall be deposited to the water/sewer fund and will be kept in two primary accounts:
  - a. User charges shall be collected and deposited in the water/sewer operating cash account; and,
  - b. The City may designate deposits to the Replacement Account/ Sewer from the water/sewer operating cash account to ensure replacement needs over the life of the treatment plant at the direction of the City Council.

**SECTION IV**

1. Each user shall pay for the services provided by the City based on their use of the treatment works as determined by water meter(s) acceptable to the City as outlined in Exhibit A.

**SECTION V**

The City shall review the user charge system annually and revise user charge rates as necessary to ensure that the system generates adequate revenues to pay the costs of operation and maintenance including

replacement and that the system continues to provide for the proportional distribution of operation and maintenance including replacement costs among users and user classes.

**BE IT FURTHER ORDAINED** that Ordinance 2019-1154 and all other Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

The effective date of this Ordinance shall be the January 2021 billing cycle.

Passed by the City Council of the City of Stevenson at its regular meeting held on the 19<sup>th</sup> day of November, 2020.
