RE: Kanaka Creek Underpass Cost to Maintain
Meeting Date: July 21, 2022

Executive Summary:

There was much discussion at the June 16th council meeting regarding Kanaka Creek Underpass. Council requested information on the cost to maintain the road as the grader has been retired.

Overview of Items:

Grading the road would take an average of three staff one day for roughly five hours each month to maintain the underpass. Incorporating equipment rental and materials, the total estimated 2022 cost would be \$20,000 a year.

Action Needed:

No action requested.
