During this contract, and for six (6) years thereafter, CITY shall have the right to inspect Contractor's records pertaining to this contract and to perform an audit in accordance with generally accepted audit standards. The Contractor shall make these records available without charge to CITY. Contractor agrees to either provide CITY with a copy of all records relating to the contract, or to retain such records for the applicable public records retention period and promptly provide them to CITY in order to fulfill any public records requests submitted during the retention period. Failure to promptly provide said records shall constitute a default of this agreement and entitle CITY to attorney fees and costs to recover the records, plus require Contractor to indemnify CITY against any statutory penalties for failure to promptly comply with a lawful public records request.

H. WORK PRODUCT
