Good afternoon Kaitlyn,

I am writing about the water leak at my father's home that was discovered after receiving the letter from the City of Stevenson dated 09/30/2025. The property address is located at [1160 SW Ryan Allen Road](#). A plumber was notified and the leak was discovered. The plumber completed all work to repair the leak on October 30th 2025. Please note that I had the leak fixed as quickly as possible but also had to wait for the plumber to get back to me and get the repair scheduled. This was a considerable job that required a new water main line installed and the house repiped. I am asking for the bill to be considered for the rate reduction mentioned in the letter for \$0.49 per 100 cubic feet.

Sincerely
Tina Douglas
