Leana Kinley, EMPA, CMC

Dear Ms Kinley,

My name is Lesley Harris, I am writing to apply for the vacant seat of City Council Position #5. I have lived in Stevenson since 1987, and have been a part of the community since 1968, assisting my grandparents in a few of their community activities over the years. I am a registered voter.

I have worked 30 years in customer service, have assisted in a variety of community activities, such as cleaning the campground at Camp Howe for the Saddle Club Cowboy Breakfast, helping to color the Easter Eggs with the Lions Club Members back in the 1970's, and various clean the park, or clean the waterfront days, I assist with AWANA, My family was a part of friends of the Library for several years, and I currently help a group that makes and distributes Charity Quilts to terminally ill patients throughout our Community,

I believe my work experience and volunteer involvement have prepared me to work with people in a variety of settings. I feel I would be able to fulfill the responsibility of the position in a positive manner, having worked in customer service, I am able to see problems, and find solutions for problems, and listen to the concerns of others, all skills that would allow me to serve on the City council well. I am currently Disabled having gone through Cancer treatments, and have a renewed interest in our communities aging and disabled programs. I recently attended the homeless council meeting, being interested in how our community is able to handle and cope with that growing issue is also a great concern to me.

Sincerely

Lesley Harris
