## Public Works Department

(509)427-5970

7121 E Loop Road, PO Box 371  
Stevenson, Washington 98648

**TO:** City Council

**FROM:** Carolyn Sourek, Public Works Director and Leana Kinley, City Administrator

**DATE:** 5/19/22

**SUBJECT:** 6-Year Transportation Improvement Program (TIP)

---

### **Executive Summary:**

This is the annual review of all street projects planned in the city limits. Projects on this list represent those already in progress through grants and those identified through an evaluation process. The list is used to meet requirements for grant funding applications. There are two public hearings held and the final list is required to be adopted by July 1<sup>st</sup> of each year. This is the first public hearing for the 2023-2028 Transportation Improvement Program. There was a workshop held on May 12<sup>th</sup> and there will be second Public Hearing at the June 16<sup>th</sup> City Council meeting. More workshops can take place if necessary.

### **Overview:**

All Cities, Towns, and Counties are required to adopt a 6-year Transportation Improvement Program. Elements of the program should contain fiscally constrained projects for the first four years, and projects of regional significance shall be submitted to the Regional Transportation Planning Organization (RTPO) for inclusion in their respective TIP's, where applicable. The RTPO then submits their regional TIP to Washington State Department of Transportation (WSDOT) for inclusion into the Statewide Transportation Improvement Program (STIP).

The transportation projects that are listed in the TIP go through a process in which the City of Stevenson uses a prioritization system to determine which road systems will be upgraded/rebuilt and in what order. Road projects may not always take place in order of prioritization due to funding eligibility and grant program criteria. The City Council has the ultimate say in which projects are approved and the order in which these projects will be completed.

The projects reflected are a continuation of those in process, recommendations from a transportation study and others identified through an evaluation process based on citizen input and infrastructure condition.

The following documents include:

- A summary and overview of all projects on the TIP.
- A brief overview of the projects including a map and associated improvements.

### **Action Needed:**

Review list, provide feedback, ask questions, add what is missing, help brainstorm the updated TIP for revisions at the June 16<sup>th</sup> council meeting.
