# INTRODUCTION LETTER

5/10/2018

Leana Johnson  
7121 East Loop Road  
Stevenson, Washington 098648

Dear Leana:

Thank you for the opportunity to present Stevenson with our quote for online meeting and agenda management services. Our Municode MEETINGS solution will streamline your process to create, approve and post meeting agendas and minutes.

Municode has developed a portfolio of online services that are tailored for local government agencies. We have worked with cities, towns, villages, counties and other local government agencies for over sixty-five years continually striving to make your job easier. When it comes to the meeting management process, our solution is simple and straight-forward.

We are also working on an exciting product roadmap to seamlessly integrate Municode MEETINGS with our suite of online municipal solutions. The more Municode products you have, the better the integration. In the not-too-distant-future, our Municode MEETINGS solution will integrate with Municode WEB. Meetings created in Municode MEETINGS will auto-post to your Municode WEB website calendar. This integration will also include unified search – your meeting agendas and minutes will be searchable directly from the website. We are investigating ways to mark ordinance agenda items as ‘approved’ within Municode MEETINGS and have them auto-scheduled for supplementation and publishing to your Municode NEXT Online Code of Ordinances.

We are thrilled at the opportunity to partner with Stevenson on such an important initiative.

Sincerely,

Brian Gilday

President, Municode WEB + MEETINGS
