**RE: State Building Code Council Building Permit Fee Increase**

As you are hopefully aware, the Governor signed HB 1622 modifying the fees for the State Building Code Council from building permits. Please note that this only applies to the building permit.

Prior to July 1, 2018:

- Dwelling Units, Apartments and Motel Rooms: \$4.50 for the first unit and \$2.00 for each unit after the first unit.
- All Other Building Permits: \$4.50.

Effective July 1, 2018:

- Projects permitted under the IRC: \$6.50 for the first unit and \$2.00 for each additional unit after the first.
- Projects permitted under the IBC or IEBC: \$25.00

If you have any questions please give me a call or drop me an e-mail.

Sincerely,
