

CITY COUNCIL AGENDA REPORT

TO: Kate Thunstrom- City Administrator
FROM: Dave Schmidt- Fire Chief
SUBJECT: Declare Breathing Air Compressor as Surplus Equipment
DATE: January 6, 2025

OVERVIEW:

The fire department is requesting authorization to declare our old Bauer Breathing Air Compressor, Fill Station, and Cascade Bottles as surplus equipment. With the construction of the new facility, a new Breathing Air Compressor system was installed that meets today's industry standards for firefighters. We no longer have a use for the old system. Fire department staff met with Alex Air, and they are interested in purchasing the old system for \$4,000.00. The proceeds from this transaction will go towards needs for the new facility.

ACTION TO BE CONSIDERED:

Declare the Bauer Breathing Air Compressor, Fill Station, and Cascade Bottles as surplus equipment and authorize the sale of the property to Alex Air in the amount of \$4,000.00.
