

CITY COUNCIL AGENDA REPORT

TO: Kate Thunstrom, City Administrator
FROM: Jenni Wida, City Clerk
SUBJECT: Cannabis Application
DATE: October 6, 2025

OVERVIEW:

Staff has received an application from Duggout, LLC. DBA St. Francis Dispensary, seeking a license to operate a cannabis retail business pursuant to Minnesota Statutes Chapter 342, which governs the licensing and regulation of cannabis businesses. The applicant has received approval from Office of Cannabis Management on their license.

At this time, the applicant has identified a proposed property that would meet zoning requirements. However, the property has not yet been purchased. The applicant has indicated that they are in the process of finalizing the purchase agreement.

Pursuant to Minn. Stat. § 342.13 and related provisions, local governments may adopt reasonable time, place, and manner restrictions on cannabis business operations, including zoning and licensing requirements. The City of St. Francis ordinance requires that THC businesses obtain a city-issued license prior to operating within city limits.

ACTION TO BE CONSIDERED:
